TO MUNICIPAL CLERKS OF MUNICIPALITIES HOLDING ELECTIONS NOVEMBER 5, 2019:

Re: Four (4) Form Notices in Connection with the Selection of Candidates for Municipal Office under the State Primary Law

The major parties must certify their party endorsements for municipal offices to the municipal clerk pursuant to Section 9-391. It has been our experience that the political parties often endorse fewer candidates than the full number to which they are entitled for some or all of the municipal offices to be filled in a municipal election year. A less common occurrence is a party's failure to certify some or all of its endorsements to the municipal clerk by the statutory deadline, which this year is July 24, 2019.

Section 9-395 requires the municipal clerk to forthwith publish, in a newspaper having a general circulation in the municipality, notice of the fact that certification of a party's endorsement(s) was timely received. Section 9-395 further requires the clerk to publish notice of the fact that the clerk has not received timely certification of a party's endorsement(s) with respect to any office to be filled. If such is the case. This latter requirement applies to instances when the party has (a) either failed to file a timely certification of endorsement for some or all of the offices to be filled, or (b) the party has underendorsed for some or all such offices.

Section 9-395 requires the Secretary of the State to prescribe the form of the notice required by Section 9-395. Accordingly, we are enclosing three different notices of certification of party endorsements, to be used by you depending upon the circumstances that exist in your municipality this year. Form ED-619b, entitled "Party-Endorsed Candidates for Municipal Offices," is to be used if a party timely certifies its endorsement of the full number of candidates for all offices to be filled. Form ED-619h, entitled "Party-Endorsed Candidates for Municipal Offices Including Notice of Underendorsement for Some Offices," is to be used if the party underendorses for some or all of the offices or if the party partially endorses for some offices and fails to endorse at all for other offices. Form ED-619c, entitled "Failure to Receive Certification of Party-Endorsed Candidates for Municipal Offices," is to be used if a party fails to certify any endorsements by July 24, 2019. A separate notice (either ED-619b, ED-619h or ED-619c) must be published for each of the two major parties.

In order to reduce the likelihood of inadvertent failures-to-endorse, you may wish to remind the party officials in your town that (a) all party endorsements may be made only between July 16 and July 23, 2019, and (b) endorsements must be certified to you by 4:00 p.m. of July 24, 2019. If an endorsement for a particular office is not made between these dates, this does not produce a "vacancy" which may be filled by a later endorsement under party rules. (The only vacancies in endorsement which may be so filled are those resulting from withdrawal or death of a candidate originally endorsed at the proper time.) Moreover, the failure to file a timely certification nullifies an otherwise timely endorsement.

You may also wish to remind the town chairmen that if caucus is the endorsing authority for municipal office, Section 9-390 of the General Statutes requires the town chairman or his designee to give newspaper notice of the date, time, location and purpose of the caucus at least five days prior to the caucus, unless party rules require earlier notice.

The fourth form of notice which we are also enclosing, Form ED-619e, is the "Notice of Primary" which the municipal clerk must publish under Section 9-435 when a primary for municipal office is to be held. Although we are not required to prescribe this form, we have prepared this suggested form for your convenience. This form also incorporates the notice which the registrar of voters must give to you under the same statute; therefore, a copy of this notice is being included with the information copies of this letter being sent to the registrars of voters.

Please let us know if you have any questions or if we can be of assistance in any way. We can be reached at (860) 509-6100.

Sincerely,

DENISE W. MERRILL
Secretary of the State
