

# Election 2020 Moderator Update

1

SECRETARY OF THE STATE OF CONNECTICUT  
OCTOBER 30<sup>TH</sup>, 2020

# Face Masks at the Polls

2

- In light of the pandemic, the Governor has issued Executive Order No. 7NN, requiring face masks be worn in public spaces
- All poll workers must comply with the Governor's Executive Orders and wear a face mask while working.
- However, voters cannot be denied the right to vote, as it is a Constitutional right
- How should moderators manage voters who will not comply with the face mask mandate?

# Face Masks on Election Day Memorandum (09/20/2020)

3

- In the event that voters refuse to comply with the Executive Order, moderators should seek to offer options to accommodate the voter, including:
  - Ask him or her to wear a mask or to get one
  - Offer a mask
  - Offer curbside voting with the voter remaining in his/her car
  - Offer a ballot in a separate location inside or outside the polls
- Options are subject to public safety. Not all options need to be offered—especially allowing unmasked people inside the polls if the set-up of the location does not allow for this to occur safely.

4

- If multiple voters fail to comply with the mask requirement, poll workers should seek to enforce 6 feet social distancing.
- If a voter is disruptive or seeks to interfere with the voting process, the moderator should seek to have them removed.

5

- It is at the discretion of each municipality to choose which options to implement
- Moderators should consult with the registrars and head moderators in their municipality regarding how to implement these options at individual polling places
- What if the voters do not comply with social distancing requirements or mask orders, even after being instructed and given a range of options?

# Moderator Powers

6

# Who's in Charge of the Polling Place?
