2023 State Boards and Commissions Membership Diversity Reporting
Data Collection Worksheet

Connecticut law requires chairpersons and executive officers of certain state appointive bodies¹ to submit biennial reports to the Secretary of the State concerning the race/sex diversity of their **appointed** memberships.

As the executive officer or chairperson of a state appointive body, you can use this worksheet as a tool to collect and compile data for **appointed** members in 32 race/sex categories. You will then enter the data into an online report form on the Secretary of the State's website. Questions? Please email them to barbara.sladek@ct.gov

Please do not send this worksheet to the Secretary of the State

All Gender and Racial Composition Reports **must** be completed and filed electronically using the online form. To access the [Gender and Racial Composition Reporting online form, please click here](#)
