The Non-breaching Party shall extend the Remedy Period if it is satisfied that the Breaching Party is making a good faith effort to remedy the Breach, but the nature of the Breach is such that it cannot be remedied within the Remedy Period.
- b. If the Agency determines that the Contractor has committed a Breach, then the Agency may require the Contractor to, and Contractor shall, prepare and submit to the Agency a CAP in connection with the identified Breach. Contractor shall provide in the CAP a detailed explanation of the deficiencies and other factors that contributed to the cited Breach, Contractor's assessment or diagnosis of Breach (identifying the deficiencies and factors in reasonable detail, with references to the applicable Specifications), and a specific proposal to remedy or resolve the Breach. Contractor shall submit the CAP to the Agency within (10) Business Days following the Agency's request for the CAP for the Agency's review and approval. Within (10) Business Days of receiving the CAP, the Agency must either approve the CAP, or reject it by delivering to Contractor a written explanation for the rejection. If the Agency fails to accept or reject the CAP within the (10) Business Days, then the CAP is deemed to have been approved, without more. The Agency's explanation for the rejection must include suggestions for changes to the CAP and the Contractor shall address the suggestions in such a manner to make it likely that the Agency will approve the CAP when the Contractor re-submits it to the Agency for review and approval. If

the Agency rejects a CAP, then the parties will repeat this submittal and review process until the earliest of one of the following: (1) the Agency accepts a CAP, (2) the Agency waives its right to receive a CAP, (3) Contractor remedies the Breach, (4) the Agency waives the Breach, or (5) the Agency makes a determination to Terminate this Contract. After the first rejection, each of the parties will have (5) Business Days, instead of (10) Business Days, within which to review the CAP. Each subsequent revision and review will be for up to (3) Business Days each instead of (10) or (5) Business Days.

- c. If the Agency determines that the Contractor has Breached this Contract, then the Agency may withhold payment in whole or in part for any amounts due pending resolution of the Performance issue, provided that the Agency notifies Contractor in writing prior to the date that the payment would have been due.
- d. For purposes of the Agency determining whether there is a Breach under this Contract, or whether any statement in the Representations and Warranties Section of this Contract is false or misleading, the parties deem the Acts of the Contractor Parties to be the Acts of the Contractor itself, as if the Contractor itself was the subject of the Acts which the Agency considers in determining if there was a Breach, or an instance of false or misleading statements, or both.
- e. The written notice of the Breach may include an effective Termination date. If the identified Breach is not remedied by the stated Termination date, unless otherwise modified by the Non-breaching Party in writing before such date, no further action shall be required of any party to effect the Termination as of the stated date. If the notice does not set forth an effective Termination date, then the Non-breaching Party shall provide the Breaching Party no less than twenty-four (24) hours' prior written notice before terminating this Contract.
- f. Notwithstanding any provisions in this Contract, the Agency may terminate this Contract with no Remedy Period for Contractor's Breach or violation of any of the representations or warranties in this Contract and revoke any consent to assignments given as if the assignments had never been requested or consented to, without liability to Contractor or Contractor Parties or any third party. Termination under this Breach section is subject to the provisions of the Termination Section of this Contract. In case of such revocation or Termination, the Agency will have no liability or responsibility to Contractor or Contractor Parties or any third party, or any of them, resulting from the Termination or revocation.
- g. None of the State's rights under this Breach Section diminishes the State's rights under the Termination Section of this Contract.

33. Termination

- a. Notwithstanding any provisions in this Contract, the Agency, through a duly authorized employee, may Terminate this Contract whenever the Agency makes a written determination that such Termination is in the best interests of the State. The Agency shall notify the Contractor in writing of Termination pursuant to this Section, which notice shall specify the effective date of Termination and the extent to which the Contractor must complete its Performance under this Contract prior to such date.
- b. Notwithstanding any provisions in this Contract, either party, through a duly authorized employee, may, after making a written determination that the other party has Breached this Contract and has failed to remedy the Breach, Terminate this Contract in accordance with the Breach Section of this Contract.
- c. Notices of Termination must be sent certified in accordance with the Notice Section of this Contract. Upon receiving the Termination notice from the Agency, the Contractor shall immediately modify or discontinue all Performance affected in accordance with the terms of the notice, undertake commercially reasonable efforts to mitigate any losses or damages and deliver

to the Agency (as directed in the notice) all Records. The Records are deemed to be the property of the State and the Contractor shall deliver them to the Agency (as directed in the notice) no later than thirty (30) days after the Termination of this Contract or fifteen (15) days after the Contractor receives a written request from the Agency for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.

- d. Except for any work which the Agency directs the Contractor to Perform in the notice prior to the effective date of Termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.
- e. The Agency shall, within forty-five (45) days of the effective date of Termination, reimburse the Contractor for its Performance rendered and accepted by the Agency in accordance with Exhibit A or a SOW, as applicable, in addition to all actual and reasonable costs incurred after Termination in completing those portions of the Performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the Agency will not tender to the Contractor any payments for anticipated or lost profits. Upon request by the Agency, the Contractor shall assign to the Agency, or any replacement contractor which the Agency designates, all subcontracts, Purchase Orders and other commitments, deliver to the Agency all Records and other information pertaining to its Performance, and remove from State premises, whether leased or owned, all of Contractor's property, equipment, waste material and rubbish related to its Performance, all as the Agency (as directed in the notice) may request.
- f. Upon Termination of this Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the Sections which survive Termination. All representations, warranties, agreements and rights of the parties under this Contract shall survive such Termination to the extent not otherwise limited in this Contract and without each one of them having to be specifically mentioned in this Contract.
- g. Termination of this Contract pursuant to this Section shall not be deemed to be a Breach of contract by the Agency.

34. Continued Performance

The Contractor and Contractor Parties shall continue to Perform their obligations under this Contract while any dispute concerning this Contract is being resolved.

35. Open Market Purchases

Failure of the Contractor to Perform within the time specified in this Contract, or failure to replace rejected or substandard Goods or fulfill unperformed Services when so requested and as this Contract provides or allows, constitutes a Breach of this Contract and as a remedy for such Breach, such failure shall constitute authority for the Agency, if it deems it to be necessary or appropriate in its sole discretion, to Terminate this Contract and/or to purchase on the open market, Goods or Services to replace those which have been rejected, not delivered, or not Performed. The Agency shall invoice the Contractor for all such purchases to the extent that they exceed the costs and expenses in Exhibit B and the Contractor shall pay the Agency's invoice immediately after receiving the invoice. If the Agency does not Terminate this Contract, the Agency will deduct such open market purchases from this Contract's quantities. However, if the Agency deems it to be in the best interest of the State, the Agency may accept and use the Goods or Services delivered which are substandard in quality, subject to an adjustment in price to be determined by the Agency.

36. Setoff

The State, in its sole discretion, may setoff and withhold (1) any costs or expenses including but not limited to costs or expenses such as overtime, that the State incurs resulting from the Contractor's unexcused Breach under this Contract and under any other agreement or arrangement that the Contractor has with the State and (2) any other amounts of whatever nature that are due or may become due from the State to the Contractor, against amounts otherwise due or that may become due to the Contractor under this Contract, or under any other agreement or arrangement that the Contractor has with the State. The State's right of setoff and to withhold shall not be deemed to be the State's exclusive remedy for the Contractor's or Contractor Parties' Breach of this Contract, all of which shall survive any setoffs and withholdings by the State.

37. Cross-Default

- a. If the Contractor or Contractor Parties Breach, default or in any way fail to Perform satisfactorily under this Contract, then the Agency or the State may, in its sole discretion, without more and without any action whatsoever required of the State, treat any such event as a breach, default or failure to perform under any or all other agreements or arrangements ("Other Agreements") that the Contractor or Contractor Parties have with the Agency or the State. Accordingly, the Agency or the State may then exercise at its sole option any and all of its rights or remedies provided for in this Contract or Other Agreements, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of the Agency or the State, as if the Contractor or Contractor Parties had suffered a breach, default or failure to perform under the Other Agreements.
- b. If the Contractor or Contractor Parties breach, default or in any way fail to Perform satisfactorily under any or all Other Agreements with the Agency or the State, then the Agency may, in its sole discretion, without more and without any action whatsoever required of the Agency, treat any such event as a breach, default or failure to Perform under this Contract. Accordingly, the Agency may then exercise at its sole option any and all of its rights or remedies provided for in the Other Agreements or this Contract, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of the Agency or the State, as if the Contractor or Contractor Parties had suffered a breach, default or failure to Perform under this Contract.

38. Sovereign Immunity

The parties acknowledge and agree that nothing in this Contract shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of this Contract.
