Up to $26,000 in Total Prizes for High Schools and Students of Winning Videos.

High school with most videos submitted will win $500.

The Department of Motor Vehicles Teen Safe Driving Contest (“contest”) is a game of skill sponsored by the Connecticut Department of Motor Vehicles (“DMV”). Prizes are provided courtesy of The Travelers Indemnity Company (“Travelers”).

1. Who Can Enter
   a. To be eligible to participate in this contest, entrants must be students ages 14 to 18 who are enrolled in a public or private high school located in Connecticut, or students ages 14 to 18 who are receiving home-schooling in Connecticut and who designate a state Department of Education recognized public or private high school as recipient of a monetary prize.

State of Connecticut Department of Motor Vehicles (DMV) employees or relatives of DMV employees, employees of Travelers and its affiliates and their relatives, and judges of this contest and their relatives, are NOT ELIGIBLE to participate. The term “relatives” means spouses, grandparents, parents, siblings, children and grandchildren, as well as individuals who live in the same household.

2. How to Enter
   How to Approach Creating the Video
   a. This year’s theme is: “Driving Safe Habits.” The student director and the team must use the video to demonstrate participants sharing the things that “drive” them to be safe. For example: family, friends, or anything that is most important to the team. Show viewers the reasons you pledge to drive safely.

Distractions and other unsafe behaviors behind the wheel can create dangerous situations for teen drivers and their passengers. This year’s contest focuses on what motivates the teen driver to follow the rules of the road.

Each individual contestant or team may make ONLY one entry. To submit an entry, each entrant must produce (write, shoot, and edit to final production) his or her own public service announcement (“PSA”) up to forty-five (:45) seconds in length. Students may participate either individually or in teams with no more than five (5) students per team producing the video. (However, there is no limit on the number of students who may appear in the video.) One person must be responsible for taking ownership of the entry on behalf of a team.
Summary of Video Requirements:

- The video must encourage teen drivers to be safe through motivation. Show viewers the reasons why you pledge to drive safely.
- PSA must be no longer than forty-five (:45) seconds in length.
- PSA must also address one specific teen driving law (See complete list at http://ct.gov/teendriving/laws).
- No production team of students can exceed five (5) participating teens, including the student director. Other teens, adults and persons can appear in the video, but will not be considered members of the original team that can qualify for contest entry and prizes awarded.
- Please read complete rules to avoid video being disqualified.

BE CREATIVE. BE UNIQUE. STANDOUT. MAKE YOURS DIFFERENT FROM THE REST.

b. Students may artistically show a violation of a state law as part of the video’s creative content. However, compliance with all federal, state and local laws must be followed when filming is done on a federal, state or local highway, road, thoroughfare, as well as in any parking lot used by the public unless specifically closed to the public by state or local police during the filming. For example, an operator of a vehicle must be a licensed driver. All filming and all use of any federal, state, or local highway, road, thoroughfare or parking lot must be conducted safely.

c. Each PSA will be counted as one individual entry, and cannot be entered more than once. Duplicate PSA entries will be disqualified, and the DMV reserves the right to disqualify the initial entry based on section “2g” below. Videos submitted from a previous year’s contest will not be accepted.

d. The contest will start Friday, October 22, 2021. The deadline for entrants to submit their videos to DMV is Friday, January 28, 2022.
