Students are Connecticut’s leaders of tomorrow and our communities’ changemakers of today.

The Connecticut State Department of Education (CSDE) is putting $1.5 million in the hands of high school students across the state to encourage them to get involved, be heard, and make change. A first-of-its-kind statewide civic engagement initiative, Voice4Change empowers high school students to propose and vote on how $1.5 million in federal relief funds will be invested to reimagine Connecticut’s schools. Students in participating districts will submit proposals to the CSDE. Proposals deemed eligible to receive American Rescue Plan Elementary and Secondary School Emergency Relief (ARP ESSER) funds according to federal guidelines will ultimately be voted on by their high school peers on March 11, 2022—one year after the historic American Rescue Plan Act was passed.

In March of 2021, the CSDE set out to “reimagine schools to transform students’ lives” with ARP ESSER. With the launch of Voice4Change, we are proud to lead the way as the only state that gives high schoolers an active role in reimagining this collective transformation. Thank you for your interest in joining the CSDE in these efforts!

LEAs are being asked to opt-in to this program because the amount of funding available for each school will depend upon the number of high schools that choose to participate. Funding is not limited to one-per-LEA; multiple high schools within one LEA can participate and will each have the potential for funding. For this reason, this survey will strictly close at Friday, October 29, 2021 at 12:00 p.m., and LEAs will not be able to opt-in after that time.
