REMAND ORDER

Respondents filed a Petition for Review on January 4, 2023, from the November 4, 2022 Sec. 31-288 (b) (1) Order issued by the Administrative Law Judge acting for the First District. The Order was issued as a result of an informal hearing. It appears that no record was created upon which the Board can reach a determination on the issue presented in this appeal. Due process requires an evidentiary hearing where a record can be created. The Compensation Review Board cannot properly review or consider this appeal under General Statutes Section 31-301 (a).

This matter is therefore remanded to the Administrative Law Judge acting for the First District for a formal hearing or other appropriate action. See Morgillo v. Ginnetti Trucking, 6009 CRB-3-15-3 (May 22, 2015).
