

# Going to the Dentist: Step by Step

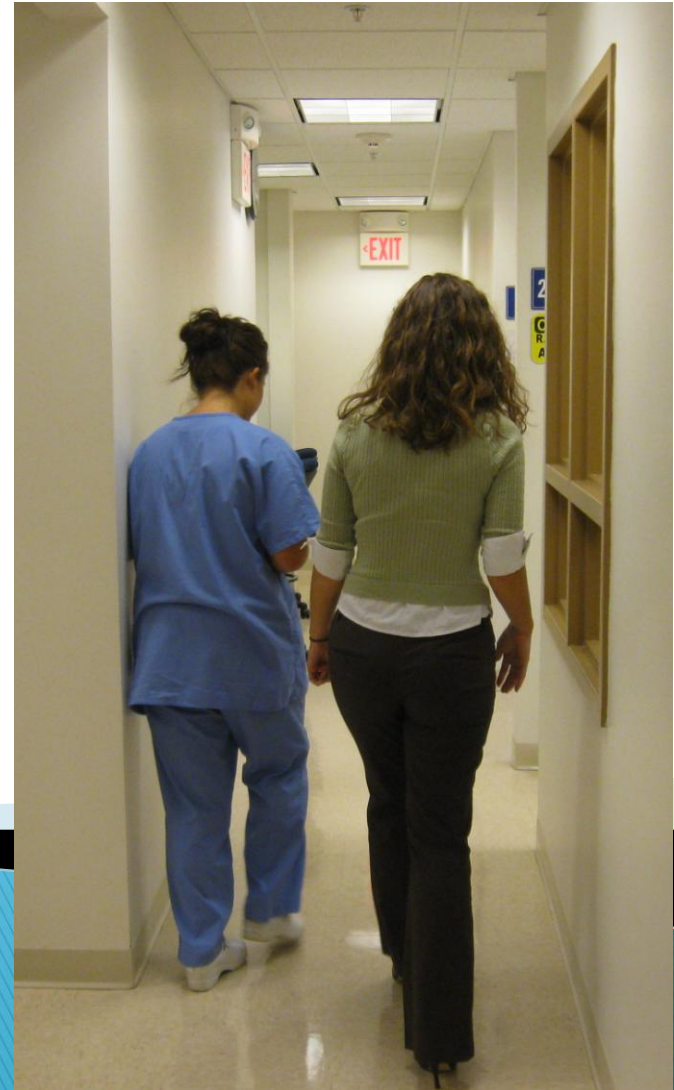

You are greeted by the receptionist and she may give you paperwork to fill out.

You may have to wait in the waiting room for your turn.

Dental Assistant or Dental Hygienist will call your name and you will follow that person to the dental room

# You will be asked to sit in the dental chair

Dental professional will wash their hands and put on gloves and mask

# Dental professional will check your teeth and gums

# Dental professional may take x-rays

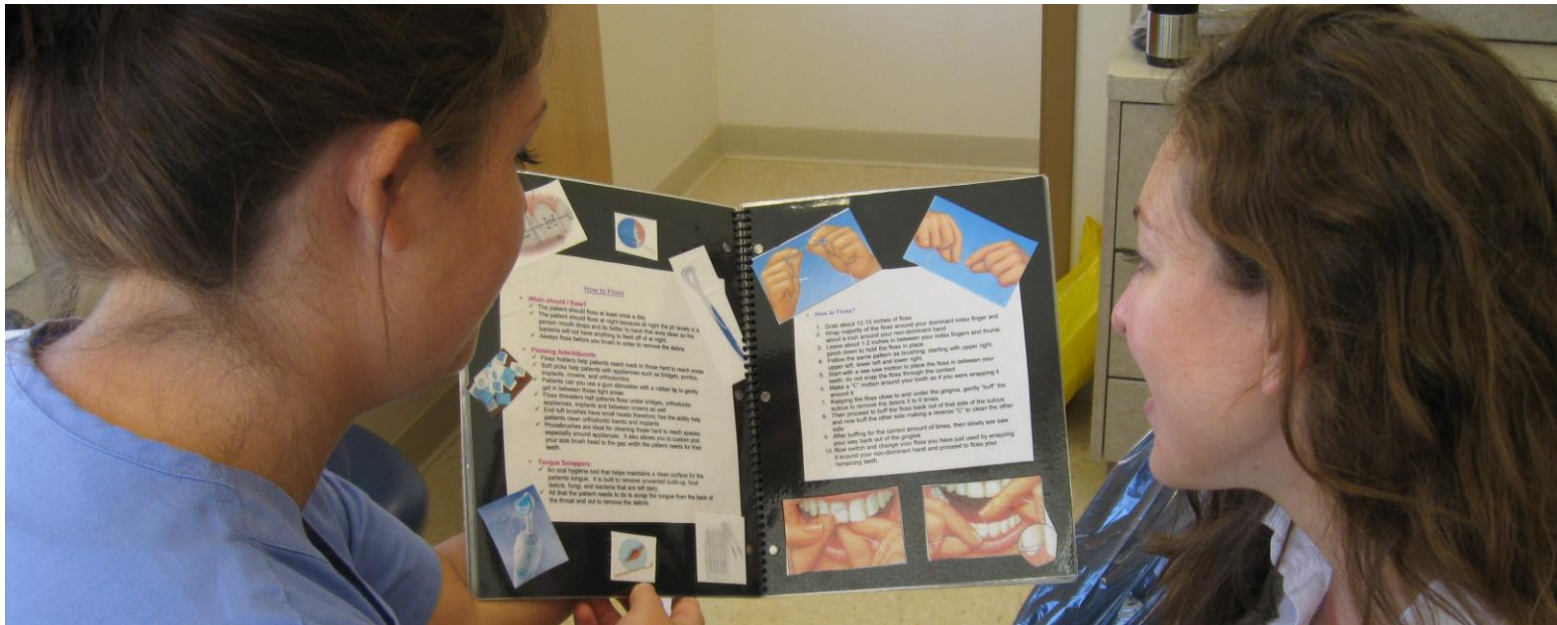

# Dental instruments that may be used: Mirror, Air Syringe, Polisher

# Instructions will be given what you will need to do at home.

# Don't forget to schedule your next appointment
