Hi Caitlin. My name is Kris Schwartz and I live in Sandy Hook with my wife and our 2-year-old daughter. On 12/17/12, I purchased 2,500 rubber bracelets of bracelets that state "Angels of Sandy Hook" on one side and "Hope Faith Love" on the other. We donated about 2,300 of them to all the students & faculty at Newtown High School and to the Newtown Police Department and Sandy Hook Volunteer Fire Department. We sold most of the rest of them to try and repay ourselves. From there, because of the positive response from people for the bracelets, we spent a lot more to make them over the next two weeks, donated a lot of more them, paid ourselves back for the cost, and gave proceeds to the local Newtown fundraising efforts listed below. We're not an organization, so I know each question on the form isn't applicable, but here it is...

Name of organization: Angels of Sandy Hook bracelets

1. \$94,000

2. Yes

3. \$46,200

4. Not applicable. We offered rubber bracelets.

5. Yes. \$47,800 to Sandy Hook School Support Fund & Newtown Rotary Club's Sandy Hook School Fund

6. No

7. Not applicable. There will be no surplus funds.

Thank you for doing all this, Caitlin.
