

STATE OF CONNECTICUT ~ OFFICE OF THE ATTORNEY GENERAL

ATTORNEY GENERAL GEORGE JEPSEN

For Immediate Release

WEDNESDAY MARCH 30, 2011

Statement by ATTORNEY GENERAL GEORGE JEPSEN about proposed
AT&T/T-Mobile merger:

“A merger of this magnitude, especially in an already concentrated market, will naturally be scrutinized for competitive ramifications. I have no doubt that the Department of Justice and the Federal Communications Commission will be investigating the deal for its competitive impact. We will be in communication with the federal government, and with any state undertaking a review, to ensure to our satisfaction that the matter is being appropriately investigated and the interests of Connecticut consumers are protected.”
