## Appendix III: MONITOR'S RIGHTS, DUTIES AND RESPONSIBILITIES UNDER **EXHIBIT E, ENFORCEMENT TERMS**

The following is a summary of the Monitor's rights, duties, and responsibilities as set out in Enforcement Terms of the Consent Judgment and a list of those rights, duties and responsibilities. Sections in this summary correspond to sections in the Enforcement Terms. The Enforcement Terms are Exhibit E in the Consent Judgments.

## Summary of Rights/Duties/Responsibilities in Exhibit E

The Monitor is required to determine whether each Servicer is in compliance with the Servicing Standards and the Mandatory Relief Requirements and whether Servicer has satisfied the Consumer Relief Requirements. Monitor also is required, when requested by a Servicer, to review and certify whether such Servicer's payment obligations under the Consent Judgment have been satisfied.

The manner and methodologies for determining a Servicer's compliance/satisfaction with the Servicing Standards, Mandatory Relief Requirements, and Consumer Relief Requirements will be set out in a Work Plan developed by Monitor with each Servicer. Each Servicer's Internal Review Group (IRG) will assess Servicer's compliance/satisfaction through methodologies set out in the Work Plan. Monitor will be required to assess, on an ongoing basis, the IRG's independence, qualifications, and performance.

With respect to each Servicer's compliance/satisfaction with the Servicing Standards, Mandatory Relief Requirements, and Consumer Relief Requirements, IRG will report the results of its assessments to Monitor quarterly, which, with respect to the Servicing Standards, will generally be through reports on Metrics and associated Threshold Error Rates. Monitor will review IRG's reports and will have access to IRG's work papers and each Servicer's employees/agents to conduct Monitor's review. Monitor will also have access to each Servicer's Executive Office complaints and other information on borrowers' complaints that are tracked by each Servicer, and Monitor will have access to additional information from each Servicer, if Monitor reasonably deems such information necessary to fulfill Monitor's obligations under any Work Plan applicable to a Servicer, as set out in the Consent Judgments.

Monitor will report his conclusions relative to his monitoring of each Servicer to the District Court for the District of Columbia (Court), with copies to each Servicer and the Monitoring Committee. If Monitor determines that an IRG cannot be relied upon, Monitor may require that the Professionals perform work on the Metrics and that supplemental work be performed where necessary. If Monitor becomes aware of significant patterns and practices of noncompliance, Monitor may engage Servicer relative to noncompliance through discussions, additional Metrics and Corrective Action Plans.

Monitor may petition the Court to resolve disputes between Monitor and any Servicer.

Monitor is not required to receive and disburse any funds to any of the parties to the Consent Judgment or any borrowers, other than disbursement to the state and federal parties to the Consent Judgment of any penalties that Servicer may be required to pay under the Consent Judgment for noncompliance.

	Rights/Duties/Responsibilities - Exhibit E	Section
1.	<b>Implementation Timeline.</b> Monitor and Servicer are required to agree on a timeline for implementation of Servicing Standards and Mandatory Relief Requirements (i) through (iv) in Section C.12. Implementation 60/90/180 days.	Section A
2.	<b>Engagement of Professional.</b> Monitor may employ one or more accounting firms or other firms to support Monitor, and Monitor may engage one or more attorneys and other professionals.	Section C.2
3.	<b>Compliance Monitoring.</b> Monitor to determine whether Servicer is in compliance with (i) Servicing Standards and (ii) Mandatory Relief Requirements (Section C.12) and whether Servicer has satisfied Consumer Relief Requirements.	Section C.5
4.	<b>Review of IRG.</b> Monitor required to review Internal Review Group's qualifications and performance, and Servicer must remediate Monitor's reasonable concerns.	Section C.10
5.	Add Metrics. Monitor may add up to 3 additional Metrics and associated Threshold Error Rates.	Section C.12
6.	<b>Work Plan.</b> Monitor and Servicer are required to reach an agreement on Work Plan, which, among other matters, will set out methodology and procedures the Monitor will use to review the work of the Internal Review Group.	Section C.13
7.	<b>Executive Office Complaints.</b> Monitor will review, and Servicer will provide to Monitor, regularly prepared business reports analyzing Executive Office servicing complaints. Servicer will provide Monitor access to all Executive Office servicing complaints. If Servicer tracks additional servicing complaints, Servicer will provide Monitor quarterly information on 3 most common received outside of Executive Office complaints.	Section C.16
8.	<b>Access to Work Papers.</b> Monitor will have access to all work papers prepared by IRG in determining compliance with Metrics or satisfaction of Consumer Relief Requirements.	Section C.18
9.	<b>Patterns and Practices of Noncompliance.</b> If Monitor becomes aware of facts that lead to a reasonable conclusion that Servicer is engaged in a significant pattern or practice of noncompliance, then Monitor will engage Servicer in a review to determine if facts are accurate.	Section C.19
10.	<b>Right to Additional Information.</b> When Monitor deems it reasonably necessary in fulfilling responsibilities under Work Plan, Monitor may request information from Servicer in addition to that provided in Sections C. 16-19.	Section C.20
11.	<b>Interview Employees/Agents.</b> Monitor may interview Servicer's employees and agents where reasonably necessary in fulfilling responsibilities under Work Plan.	Section C.21
12.	<b>Performing Work of IRG.</b> If Monitor reasonably determines that work of Internal Review Group cannot be relied upon, Monitor may direct that work on Metrics be performed by Professionals and that supplemental work be performed if necessary.	Section C.22
13.	Pattern/Practice - Review/Additional Metric. If a significant pattern or practice of noncompliance occurs, then Monitor will engage Servicer in a review to determine if facts are accurate. If after review, Monitor reasonably concludes that such a pattern exists, Monitor may propose an additional Metric.	Section C.23
14.	<b>Petition Court to Add Metric for Pattern/Practice.</b> If Monitor proposes an additional Metric and Servicer does not timely agree with Monitor and Monitoring Committee to its addition to the Schedule, along with an appropriate Threshold Error Rate, Monitor may petition the Court for such addition.	Section C.24
15.	<b>Receipt of Quarterly Reports and State Reports.</b> Monitor is to receive Quarterly Reports from Servicer and is to receive copies of State Reports.	Section D.1 and Section D.2
16.	Monitor Reports - Compliance Reviews. Monitor must report on Servicer's compliance with Consent Judgment as evidenced by the Compliance Reviews (see Section C.7 for definition). First 3 cover 2 Quarterly Reports. If no Potential Violations exist, each successive Monitor Report covers 4 Quarterly Reports. If Quarterly Report shows Potential Violation, Monitor may report after each of next 2 Quarterly Reports, but would be limited to report on Potential Violation.	Section D.3
17.	<b>Monitor Reports - Satisfaction Reviews.</b> In addition to the Monitor Reports described in paragraph 16 above, Monitor will report on Servicer's satisfaction of the Consumer Relief Requirements. These reports will follow each Satisfaction Review (see Section C.7 for definition).	Section D.5

- 18. Certification of Satisfaction of Payment Obligation. Monitor will, when requested by Servicer, review Section D.6 and certify whether a Servicer's payment obligation has been satisfied. 19. **Budget.** Monitor is required to submit to Servicer and Monitoring Committee annual budgets. Section D.7
- 20. Cure of Potential Violation. Monitor will determine whether a Potential Violation has been cured by (i) Section E.3 confirmation that a Corrective Action Plan has been satisfactorily completed and (ii) confirmation of the accuracy of a Quarterly Report reflecting that a Threshold Error Rate for Potential Violation has not been exceeded.
- 21. Widespread Potential Violation. If Monitor concludes that a Potential Violation is widespread based on Section E.5 the degree to which Threshold Error Rate exceeds Metric, then Servicer will, under supervision of Monitor, identify other Borrowers affected and remediate.
- 22. **Disclosure of Confidential Information.** Monitor may provide to Monitoring Committee or to a state/ Section F. federal released party, any information marked CONFIDENTIAL related to a Potential Violation, or related to review in Section C.19 (review related to pattern of noncompliance). No limits on providing information that is not marked CONFIDENTIAL to participating state or federal agency whose claims are released through this Settlement.
- 23. Dispute Resolution/Petition Court. Monitor may petition Court for resolution of dispute, subject to Section G. Section J.
- 24. Distribution of Penalties/Payments. Monitor distributes penalties paid by Servicer and distributes Section J.3 any payments under paragraph 10.d of Consumer Relief Requirements (failure to meet commitments in Consumer Relief Requirements within 3 years of Servicer's Start Date, 125% of unmet commitment amount; and if fails to meet 2 year commitment and then fails to meet 3 year commitment, then 140% of unmet three year commitment).
