Office of the Attorney General**

First Addendum to RFP #2024-12

Request for Proposals for Legal Services

**Representation of State of Connecticut and Its Co-Plaintiff States
with Regard to Generic Pharmaceuticals Pricing Antitrust Litigation**

November 22, 2024

The Office of the Attorney General (“OAG”) has received the following questions concerning RFP #2024-12. The questions, along with the responses of the OAG, are as follows:

Question 1: Based on Paragraph 3.6 of Appendix A to the RFP, can you please identify which of the following expenses, if any, the OAG would seek for the proposing firm to front (i.e. pay out of pocket subject to reimbursement): expert witnesses; electronic databases hosting documents and information; consultants used for trial, including jury research consultants or trial “hot seat” consultants; demonstrative creation vendors; or court or deposition transcripts.

Answer 1: The OAG does not anticipate asking a proposing firm to front (pay out of pocket subject to reimbursement) any of the expenses listed in Question 1 if a flat fee or an hourly wage model is employed. The OAG may ask a proposing firm to front such cost if a contingency model is employed.

Question 2: After Paragraph 3.6 details certain categories of reimbursable expenses, Paragraph 3.14 states that “[n]o other costs, expenses, or overhead items shall be reimbursed without the prior written approval of the ATTORNEY GENERAL.” Are there any categories of ordinary litigation expenses for which the proposing firm would need the OAG’s prior written approval? If so, which categories of expenses would require prior approval, and what is the process for seeking prior approval?

Answer 2: All ordinary litigation expenses not listed in Paragraph 3.6 require the OAG’s prior written approval. To obtain approval for litigation expenses not listed in Paragraph 3.6, a retained firm must submit a memorandum to the OAG before incurring the expense. The memorandum must

include the expected amount of the expense, explain why the expense is necessary, and detail the efforts made by the retained firm to incur the smallest possible expense.

Question 3: Paragraph 3.11 of Appendix A states that the Attorney General “shall approve for payment all undisputed fees and costs as soon as the documentation can properly be processed in accordance with usual State practice.” Could you please confirm whether this means that approved reimbursements under Paragraph 3.6 will be made on a regular rolling basis (e.g. monthly)?

Answer 3: The retained firm must submit bills for reimbursement monthly as specified in Paragraph 3.3. The OAG will review the bills for accuracy and approved reimbursements will be made on a rolling basis.

Question 4: The OAG and other state plaintiffs seek, in the aggregate, the following types of financial recoveries in the litigation:

1. Proprietary damages for overcharges on purchases of generic drugs made by the States and their various agencies, such as state owned/operated hospitals and correctional facilities;
2. Overcharges on sales of generic drugs made to individuals and businesses within the States under *parens patriae* authority derived from state statutes;
3. Damages caused to State general economies under *parens patriae* authority;
4. Civil penalties/fines for violations of various state statutes; and
5. Disgorgement of Defendants’ ill-gotten gains under state law.

Can the OAG please identify, for each of the Heritage, Teva, and Dermatology cases:

1. The estimated total financial recovery that the state plaintiffs are claiming against Defendants;
2. The estimated financial recovery that the state plaintiffs are claiming against Defendants for each of the five damages categories (1-5) set forth above?
3. The estimated volume of purchases, in dollars, that the state plaintiffs and their agencies (e.g. state-owned hospitals and facilities) made of the generic drugs subject to Defendants’ alleged price-fixing or market allocation during the relevant damages period(s).

- Answer 4:**
1. *Total Financial Recovery.* The OAG cannot identify the estimated total financial recovery that the state plaintiffs are claiming against Defendants in each of the Heritage, Teva, and Dermatology cases because these estimates are based in part on confidential data.
 2. *Estimated Financial Recovery by Category.* The OAG cannot identify with specificity any of the requested estimates because each estimate is based in part on confidential data.
 3. *Estimated Volume of Purchases*
 - a. *Heritage/Teva.* The OAG cannot identify the estimated volume of purchases, in dollars, that the state plaintiffs and their agencies made of the generic drugs subject to Defendants' price-fixing or market allocation conspiracies during the relevant periods in the Teva and Heritage cases because each estimate is based in part on confidential data.
 - b. *Dermatology.* One of the states' experts, Dr. Hal Singer, estimated in his Amended Report the volume of purchases in dollars of generic drugs subject to Defendants' price-fixing or market allocation conspiracies during the relevant periods by agency type. See Amended Expert Report of Hal J. Singer, Ph.D., *Connecticut v. Sandoz, Inc.*, 3:20-cv-00802 (D. Conn. Jul. 31, 2024), ECF No. 336-3 at 127-129 [hereinafter Singer Report] (Appendix 3 Tables 6-8).
 1. For state Medicaid agencies: \$2,672.9 (\$ millions).
 2. For state agencies sponsoring drug purchases: \$330.0 (\$ millions).
 3. For state agencies purchasing drugs outside of Medicaid: \$31,258.5 (\$ thousands).

Question 5: To the extent the OAG cannot publicly disclose the specific information requested in Question 4, subparts (a-c) above, can the OAG provide other information or estimates that would help the proposing firm gauge the estimated financial recovery that the state plaintiffs seek in the Heritage, Teva, and Dermatology cases?

Answer 5: The OAG shares the following information to aid a proposing firm in gauging the estimated financial recovery that the state plaintiffs seek in the Heritage, Teva, and Dermatology cases.

1. The Heritage case alleges price fixing and market allocation conspiracies between 20 defendants involving 15 drugs. The Teva case alleges price fixing and market allocation

conspiracies between 37 defendants involving 114 drugs. The Dermatology case alleges price fixing and market allocation conspiracies between 36 defendants involving 80 drugs.

2. The states recently settled with Heritage Pharmaceuticals, Inc., Emcure Pharmaceuticals, Inc., and Satish Mehta for \$10 million. These three defendants were sued only in the Heritage case; Heritage Pharmaceuticals, Inc., was accused of conspiring on 15 drugs, Emcure Pharmaceuticals, Inc. was accused of conspiring on 1 drug, and Satish Mehta was accused of conspiring on 1 drug.
3. The states also recently settled with Apotex Corp. for \$39.1 million, contingent upon obtaining signatures from all necessary states and territories. Apotex was sued only in the Heritage and Teva cases and accused of conspiring on 6 drugs.
4. For the 80 drugs in the Dermatology case, Dr. Hal Singer opined in his Amended Report that the Dermatology defendants sold \$10,605 million of these drugs from 2010-2020. Singer Report at 13. He also determined that for the Dermatology drugs:
 - a. Medicaid reimbursements to state agencies from the first quarter after evidence of unlawful conduct existed (per drug) through the end of 2018 were \$1,952.7 million. Singer Report at 67.
 - b. Expenditures of state agencies sponsoring drug purchases as insurers from the first quarter after evidence of unlawful conduct existed (per drug) through the end of 2018 were \$231.6 million. Singer Report at 72.
 - c. Expenditures of state agencies purchasing drugs outside of Medicaid from the first quarter after evidence of unlawful conduct existed (per drug) through the end of 2018 were \$24,661.8 thousand. Singer Report at 74.
 - d. Expenditures by consumers and businesses on Dermatology drugs in states seeking damages for consumers or businesses from the first quarter after evidence of unlawful conduct existed (per drug) through the end of 2018 were \$4,429.3 million. Singer Report at 77.
 - e. There were approximately 415.3 million transactions of the drugs at issue in the Dermatology complaint that, for each drug, were made after the alleged conspiracy for that drug was imposed. Of those transactions, 233.8 million were made in states seeking per-transaction civil penalties. Dr. Singer provided an illustrative range for civil penalties for per-transaction penalty states in Dermatology of \$233.8

million (assuming a penalty of \$1 per transaction) to \$233,753.7 million (assuming a penalty of \$100 per transaction). Singer Report at 135-37.

Question 6: Would a contingency fee component of a proposing firm proposal apply to all five types of financial recoveries identified in Question 4 (i-v), above? Or would a contingency fee component not apply to certain types of financial recoveries?

Answer 6: A proposing firm's proposal may include a contingent fee component that applies to all types of financial recoveries.

Question 7: The RFP identifies that the OAG will not entertain proposals that call for more than 9% of a settlement or award to be provided as a contingency fee. Are there certain hourly fee caps that the OAG have that would apply to any hybrid fee proposal that contains both an hourly fee and contingency fee component?

Answer 7: The OAG does not have any hourly fee caps that would apply to a hybrid fee proposal but encourages proposal firms to reference standard fee matrices, such as the [Fitzpatrick Matrix](#) used by the United States Attorney's Office for the District of Columbia, when preparing their fee proposals.

TERM AND AMOUNT OF CONTRACT

Contracts awarded pursuant to this RFP will have an initial term of two (2) years and can be renewable by mutual agreement of the parties. The total value of the initial contract pursuant to this RFP will be determined by the alternative fee proposals as outlined below. Any extensions will be only by written amendment to the original

Professional Services Agreement (hereinafter referred to as “Contract” or “Agreement”). These awards are not necessarily exclusive. The OAG reserves the right during the terms of these contracts to solicit and request additional proposals for legal services in the same or other areas of practice.

Work will be assigned under the general terms of a contract substantially in accord with **Appendix A** attached hereto, by the issuance of more detailed and specific Statements of Work (“SOW”) for specific assignments or projects. The OAG seeks proposals involving creative alternative fee proposals maximizing the value of the services to the State of Connecticut and its Co-Plaintiff States. For example only, and without ruling out or limiting other possibilities, a proposal could involve one or more of the approaches below.

- 1) A flat fee for all work requested by the OAG and Co-Plaintiff States during the term of the contract, with a maximum not to exceed an amount to be determined over two years; deeply discounted hourly rates for partners, of counsel, associates and paralegals, or a deeply discounted blended hourly rate. Firms responding to this RFP should be aware that the draft contract does not permit reimbursement of any overhead-related expenses including, but not limited to, photocopying, secretarial work, facsimiles, clerical staff, library staff, proofreading, elementary legal research, electronic research portal charges, meals or in State transportation or other costs.
- 2) A fee proposal involving a percentage, for example, 1% of any direct financial recovery to the State of Connecticut and its Co-Plaintiff States by settlement and 2% of any direct recovery to the States after trial, and specifying how and over what period of time these figures would be measured, provided that if the payments the States will receive are over time, then the fee to be paid would be paid over the same time. No percentage fee would be paid unless the selected firm had provided substantial and material assistance prior to the settlement or trial judgment;
- 3) A fee proposal involving a combination of a flat fee or hourly rates and a smaller percentage of any direct financial recovery to the State of Connecticut and its Co-Plaintiff States, for example, .05% of any direct financial recovery to the State of Connecticut and its Co-Plaintiff States if by settlement and 1% of any direct recovery to the States after trial, and specifying how and over what period of time these figures would be measured, provided that if the payments the state will receive are over time, then the fee to be paid would be paid over the same time. No percentage fee would be paid unless the selected firm had provided substantial and material assistance prior to the settlement or trial judgment;

- 4) As to fee proposals including a percentage of any direct recovery to the State of Connecticut and its Co-Plaintiff States after trial, the firm first seeks to have its reasonable attorney's fees, costs and expenses paid by one or more of the liable defendants.
- 5) A fee proposal including some elements suggested above plus a results-based incentive fee based upon specified criteria to be determined in a specified way;
- 6) Any other fee proposal maximizing the work and value of the work provided to the OAG and minimizing the cost to the State of Connecticut and its Co-Plaintiff States.

The OAG requests that all submitted proposals include an alternative fee option that does not include a contingency fee component. The OAG will not consider proposals that include contingency fee components that exceed 9%.

Proposals must be received by the OAG no later than 4:30 p.m., Eastern Time, on DECEMBER 6, 2024.

An evaluation committee will evaluate the proposals in accordance with the selection criteria set forth in this RFP, which explains other terms and requirements. The selected firm(s) must enter into a contract with the OAG, substantially in the form of the draft contract set out in **Appendix A**. The OAG encourages minority, women, and veteran-owned firms to apply.

All communication with the OAG must be undertaken only as specified in this RFP.

SELECTION CRITERIA

The evaluation committee will evaluate firms on the basis of their written responses to this RFP, additional written information that may be requested by the OAG and, possibly, oral interviews. The goal of the evaluation will be to select the firm or firms which provide(s) the best combination of qualifications, relevant experience and value.

The evaluation committee also will consider the following non-exclusive factors in making its determination:

- The value of the services offered in relation to the proposed cost of the services.
- Depth and quality of experience in conducting complex investigations and litigation, particularly with respect to the pharmaceutical industry.
- Significant knowledge of federal and state antitrust law.

- Significant knowledge of the Federal Rules of Civil Procedure.

- Ability and commitment to minimize the administrative burdens imposed on State employees, officials and agencies in this undertaking.
- If not already admitted to the Connecticut Bar, the ability to obtain pro hac vice admission to the Connecticut Superior Court and arrangements for local counsel in Connecticut and any other jurisdiction that may be necessary.
- Results of reference checking.
- Reasonableness of rates and method of compensation proposed and demonstrated efficiency in providing sound advice and counsel without unnecessary or excessive charges. Among substantially equally qualified proposers, rates and efficiency will weigh heavily in making a selection.
- Workforce diversity, as evidenced by the contractor's current workforce diversity

and its explanation of its current diversity and any plans or efforts it describes to improve or broaden its diversity.

- Record of compliance with all applicable ethical rules and rules of professional conduct.
- Detailed discussion of any potential conflicts, including representation of entities that have been sued or discussed publicly by state attorney generals or plaintiff class counsel as possible targets of lawsuits related to the generic pharmaceutical industry.
- The proposing firm will not be considered to have an irreconcilable conflict of interest because the firm or attorneys associated with the firm have in the past brought or are currently bringing litigation against the State of Connecticut and/or its Co-Plaintiff States, whether in court, mediation or arbitration, so long as that litigation does not concern the firm's involvement in matters related to: (a) generic pharmaceutical industry (b) the Attorney Generals, the Comptrollers, the Offices of Policy & Management, the Departments of Social Services, the Departments of Consumer Protection, the Departments of Public Health, the Departments of Public Safety, the Departments of Mental Health and Addiction Services, the Departments of Veteran Affairs, the Departments of Developmental Services, the Insurance Departments, and/or the Offices of Health Strategy; (c) any other state agency that regulates and/or transacts business concerning generic pharmaceutical goods, including, but not limited to, the pharmaceutical industry or health care providers with authority to prescribe goods and/or services provided by the pharmaceutical industry; and (d) any other state agency which reimburses, directly or indirectly, for healthcare goods and services including, but not limited to, goods and services provided by the pharmaceutical industry or health care providers with authority to prescribe goods and/or services provided by the pharmaceutical industry. All potential conflicts with the State of Connecticut and its Co-Plaintiff States must be fully described and discussed in the proposal.

Proposers submitting proposals with any minor or immaterial deviations must identify and fully justify such deviations in order for the OAG to consider their proposal.

IV. Amendment or Cancellation of this RFP

The OAG reserves the right to cancel, amend, modify or otherwise change this RFP at any time if it deems it to be in the best interest of the State to do so.

V. Presentation of Supporting Evidence

Proposers must be prepared to provide evidence of experience, performance, ability, financial resources or other factors as the OAG deems to be necessary or appropriate concerning the performance capabilities represented in their proposals.

VI. Misrepresentation or Default

The OAG may reject the proposal and void any award resulting from this RFP to a firm which makes any material misrepresentation in its proposal or other submittal in connection with this RFP.

VII. Errors

The OAG reserves the right to correct clerical or administrative errors that may be made during the evaluation of proposals or during the negotiation of the contract and to change the contract award accordingly. In addition, the OAG reserves the right to re-evaluate proposals and the award of the contract in light of information either not previously known or otherwise not properly having been taken into account prior to contract award. In any case, this may include, in extreme circumstances, revoking the awarding of the contract already made to a firm and subsequently awarding the contract to another firm.

Such action on the part of the OAG shall not constitute a breach of contract on the part of the OAG since the contract with the initial firm would be deemed void and of no effect as if no contract ever existed between the OAG and such firm.

The OAG may waive minor irregularities found in proposals or allow the proposer to correct them, depending on which is in the best interest of the State. "Minor irregularities" means typographical errors, matters of form rather than substance or evident from the proposal itself, and insignificant mistakes that can be waived or corrected without prejudice to other proposers, as determined in the discretion of the OAG.

VIII. Ownership of Proposals

All proposals shall become the sole property of the State and will not be returned.

IX. Execution of Contract

- (a) This RFP is not a contract and, alone, shall not be interpreted as such. Rather, this RFP only serves as the instrument through which proposals will be solicited. Once the evaluation of the proposals is complete and a firm or

firms are selected, the selected proposal and this RFP may then serve as the basis for the Contract(s) that will be negotiated and executed between the OAG and the selected firm(s). If the OAG and the initial selected firm(s) fail to reach agreement on all issues relative to the Contract within a time determined solely by the OAG, then the OAG may commence and conclude contract negotiations with other proposers. The OAG may decide at any time to postpone or restart this RFP process.

- (b) Section 4-252 of the Connecticut General Statutes requires that this RFP include a notice of the certification requirements for large state contracts described in this statute. Accordingly, pursuant to this statute, firms are notified as follows:
 - (1) The terms “gift,” “quasi-public agency,” “state agency,” “large state contract,” “principals and key personnel” and “participated substantially” as used in this Section IX(b) shall have the meanings set forth in this statute.
 - (2) No state agency or quasi-public agency shall execute a large state contract unless the contract contains the representation described in this Section IX(b).
 - (3) The official of the person, firm or corporation awarded the contract, who is authorized to execute the contract, shall represent:
 - (A) That no gifts were made between the date that the state agency or quasi-public agency began planning the project, services, procurement, lease or licensing arrangement covered by the contract and the date of execution of the contract, by (i) such person, firm, corporation, (ii) any principals and key personnel of the person, firm or corporation, who participated substantially in preparing the bid or proposal or the negotiation of the contract, or (iii) any agent of such person, firm, corporation or principals and key personnel, who participated substantially in preparing the bid or proposal or the negotiation of the contract, to (I) any public official or state employee of the state agency or quasi-public agency soliciting bids or proposals for the contract, who participated substantially in the preparation of the bid solicitation or request for proposals for the contract or the negotiation or award of the contract, or (II) any public official or state employee of any other state agency, who has

supervisory or appointing authority over such state agency or quasi-public agency;

- (B) That no such principals and key personnel of the person, firm or corporation, or agent of such person, firm or corporation or principals and key personnel, knows of any action by the person, firm or corporation to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the person, firm or corporation to provide a gift to any such public official or state employee; and
 - (C) That the person, firm or corporation made the bid or proposal without fraud or collusion with any person.
- (4) This Section IX(b) is set forth here only for purposes of providing notice of the requirements of Conn. Gen. Stat. § 4-252. Accordingly, it is neither intended nor should it be interpreted or relied upon to be a complete and full reiteration of the statute's contents. Any interpretation or understanding of the statute's requirements or content by any party must come only from reading the full text of the statute itself.

- (1) No state agency shall execute a contract for the purchase of goods or services, which contract has a total value to the state of fifty thousand dollars or more in any calendar or fiscal year, unless such contract includes the representation set forth in subsection (2) of this section.
 - (2) Each contract described in Section (1) above shall include a representation whether any consulting agreement has been entered into in connection with such contract. Such representation shall be required if any duties of the consultant included communications concerning business of such state agency, whether or not direct contact with a state agency, state or public official or state employee was expected or made. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for

 - (4) If such representation indicates that a consulting agreement has been entered into in connection with any such contract, such representation shall include or attach the following information for each consulting agreement listed: the name of the consultant, the consultant's firm, the basic terms of the consulting agreement, a brief description of the services provided, and an indication as to whether the consultant is a former state employee or public official. If the consultant is a former state employee or public official, such affidavit shall indicate his or her former agency and the date such employment terminated.
 - (5) This Section IX(c) is set forth here only for purposes of providing notice of the requirements of the Conn. Gen. Stat. § 4a-81. Accordingly, it is neither intended nor should it be interpreted or relied upon to be a complete and full reiteration of the statute's contents. Any interpretation or understanding of the statute's requirements or content by any party must come only from reading the full text of the statute itself.
- (d) Pursuant to Conn. Gen. Stat. §§ 4a-60(c)(1) and 4a-60a(c)(1), as amended, every contract with a contractor who has one or more contracts with an awarding agency or is a party to a municipal public works contract or a contract for a quasi-public agency project shall include a nondiscrimination affirmation provision certifying that the contractor understands the obligations of Conn. Gen. Stat. §§ 4a-60 and 4a-60a and will maintain a

policy for the duration of the contract to assure that the contract will be performed in compliance with the nondiscrimination requirements of those sections. The authorized signatory of the contract shall demonstrate his or her understanding of this obligation by (A) initialing the nondiscrimination affirmation provision in the body of the contract, (B) providing an affirmative response in the required online bid or response to a proposal question which asks if the contractor understands its obligations, or (C) signing the contract.

X. Oral Agreement or Arrangements

Any alleged oral agreements or arrangements made by firms with any State agency or employee will be disregarded in any State proposal evaluation or associated award.

XI. Independent Price Determinations

In the proposals, firms must warrant, represent, and certify that the following requirements have been met in connection with this RFP:

- (a) The fees and costs proposed have been arrived at independently, without consultation, communication, or agreement for the purpose of restricting competition as to any matter relating to such process with any other organization or with any competitor.
- (b) Unless otherwise required by law, the fees and costs quoted have not been knowingly disclosed by the firm prior to the deadline for submission of proposals directly or indirectly to any other organization or to any competitor; and
- (c) No attempt has been made, or will be made, by the firm to induce any other person or firm to submit or not to submit a proposal for the purpose of restricting competition.

XII. Offer of Gratuities

In the proposals, firms must represent that no elected or appointed official or employee of the State of Connecticut has, or will, benefit financially or materially from the Contract. The Contract may be terminated by the OAG if it is determined that gratuities of any kind were either offered to, or received by, any of State officials or employees from the firm, the law firm's agent(s), representatives(s) or employees(s). Such action on the part of the OAG shall not constitute a breach of contract on the part of the OAG.

XIII. Subletting or Assigning of Contract

The Contract or any portion thereof, or the work provided for therein, or the right, title, or interest of the firm therein or thereto may not be sublet, sold, transferred, assigned or otherwise disposed of to any person or entity without the prior written consent of the OAG. No person or entity, other than the firm to which the contract was awarded, is permitted to perform work pursuant to the Contract without the prior written approval of the OAG.

XIV. Freedom of Information

The OAG is a public agency and its records, including responses to this RFP, are public records. See Conn. Gen. Stat. §§ 1-200, et seq., and especially § 1-210(b)(4) and § 1-210(b)(5)(B). Due regard will be given for the protection of proprietary or confidential information contained in all proposals received. However, all materials associated with this RFP are subject to the terms of the Connecticut Freedom of Information Act (“FOIA”) and all applicable rules, regulations and administrative decisions. If a firm is interested in preserving the confidentiality of any part of its proposal, it will not be sufficient merely to state generally in the proposal that the proposal is proprietary or confidential in nature and not, therefore, subject to release to third parties. Instead, those particular sentences, paragraphs, pages or sections that a firm believes to be exempt from disclosure under the FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with § 1-210(b) of the FOIA must accompany the proposal. The rationale and explanation must be stated in terms of the reasons the materials are legally exempt from release pursuant to the FOIA. Firms should not request that their entire proposal, nor the majority of the proposal, be confidential. Any submitted proposal, once execution of a contract is complete, and any completed contract will be considered public information. The OAG has no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The firm has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall the OAG have any liability for the disclosure of any documents or information in its possession which the OAG believes are required to be disclosed pursuant to the FOIA or other requirements of law.

XV. Conformance with Federal, State and Other Requirements

In the Contract, the firm will represent and warrant that, at all pertinent and relevant times to the contract, it has been, is and will continue to be in full compliance with all Federal, State, municipal or other governmental department, commission, board, bureau, agency or instrumentality codes, statutes, acts, ordinances, judgments, decrees, injunctions and regulations.

XVI. Executive Orders and Other Enactments

- (a) All references in the Contract to any Federal, State, or local law, statute, public or special act, executive order, ordinance, regulation or code (collectively, "Enactments") shall mean Enactments that apply to the Contract at any time during its term, or that may be made applicable to the Contract during its term. The Contract shall always be read and interpreted in accordance with the latest applicable wording and requirements of the Enactments. Unless otherwise provided by Enactments, the Contractor will not be relieved of its obligation to perform under the Contract if it chooses to contest the applicability of the Enactments or the OAG's authority to require compliance with the Enactments.
- (b) The Contract is subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which will be incorporated into and made a part of the Contract as if they had been fully set forth in it.
- (c) The Contract may be subject to (1) Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services; and (2) Executive Order No. 61 of Governor Dannel P. Malloy promulgated December 13, 2017 concerning the Policy for the Management of State Information Technology Projects, as issued by the Office of Policy and Management, Policy ID IT-SDLC-17-04. If any of the Executive Orders referenced in this subsection is applicable, it will be deemed to be incorporated into and made a part of the Contract as if fully set forth in it.

XVII. Americans with Disabilities Act

The firm(s) to which contracts are awarded shall comply with the Americans with Disabilities Act and any other applicable federal laws and regulations.

XVIII. Affirmative Action and Contract Compliance Reporting

Firms are advised that in addition to evaluating their qualifications, experience, capabilities, competitiveness of cost and conformance to this RFP specification, weight may also be given to firms which demonstrate a commitment to affirmative action by full compliance with the CHRO regulations.

XIX. Campaign Contribution Restriction

For all State contracts, defined in section 9-612 of the Connecticut General Statutes as having a value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to the contract shall represent that they have received the State Elections Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice.

- (i) Pursuant to subsection (c) of section 4a-60 and subsection (b) of section 4a-60a of the Connecticut General Statutes, the CONTRACTOR, for itself and its authorized signatory of this Contract, affirms that it understands the obligations of this section and that it will maintain a policy for the duration of the Contract to assure that the Contract will be performed in compliance with the nondiscrimination requirements of such sections. The CONTRACTOR and its authorized signatory of this Contract demonstrate their understanding of this obligation by (A) having provided an affirmative response in the required online bid or response to a proposal question which asks if the contractor understands its obligations under such sections, (B) signing this Contract, or (C) initialing this nondiscrimination affirmation in the following box:

SECTION 15: CAMPAIGN CONTRIBUTIONS

SECTION 16: EXECUTIVE ORDERS AND OTHER ENACTMENTS

- 16.1 (a) All references in this Agreement to any Federal, State, or local law, statute, public or special act, executive order, ordinance, regulation or code (collectively, "Enactments") shall mean Enactments that apply to the Agreement at any time during its term, or that may be made applicable to the Agreement during its term. This Agreement shall always be read and interpreted in accordance with the latest applicable wording and requirements of the Enactments. Unless otherwise provided by Enactments, the CONTRACTOR is not relieved of its obligation to perform under this Agreement if it chooses to contest the applicability of the Enactments or the ATTORNEY GENERAL authority to require compliance with the Enactments.
- (b) This Agreement is subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of this Agreement as if they had been fully set forth in it.
- (c) This Agreement may be subject to (1) Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services; and (2) Executive Order No. 61 of Governor Dannel P. Malloy promulgated December 13, 2017 concerning the Policy for the Management of State Information Technology Projects, as issued by the Office of Policy and Management, Policy ID IT-SDLC-17-04. If any of the Executive Orders referenced in this subsection is applicable, it is deemed to be incorporated into and made a part of this Agreement as if fully set forth in it.

SECTION 17: CONFIDENTIALITY

- 17.1 All of the reports, information, data, and other papers and materials, in whatever form, prepared or assembled by the CONTRACTOR under this Agreement are confidential, and the CONTRACTOR shall not make them available to any individual or organization, other than in connection with the performance of those duties and responsibilities, without the prior written approval of the ATTORNEY GENERAL or their designee.

17.2 The ATTORNEY GENERAL will afford due regard to any request of the CONTRACTOR for the protection of proprietary or confidential information which the ATTORNEY GENERAL receives from the CONTRACTOR. However, all materials associated with the Agreement are subject to the terms of the Connecticut Freedom of Information Act ("FOIA") and all corresponding rules, regulations and interpretations. In making such a request, the CONTRACTOR may not merely state generally that the materials are proprietary or confidential in nature and not, therefore, subject to release to third parties. Those particular sentences, paragraphs, pages or sections that the CONTRACTOR believes are exempt from disclosure under the FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with the FOIA must accompany the request. The rationale and explanation must be stated in terms of the prospective harm to the competitive position of the CONTRACTOR that would result if the identified material were to be released and the reasons why the materials are legally exempt from release pursuant to the FOIA. To the extent that any other provision or part of the Agreement, especially including the Records, conflicts or is in any way inconsistent with this Section, this Section controls and shall apply and the conflicting provision or part shall not be given effect. The ATTORNEY GENERAL shall not have any obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The CONTRACTOR shall have the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall the ATTORNEY GENERAL or the State have any liability for the disclosure of any documents or information in its possession which the ATTORNEY GENERAL believes are required to be disclosed pursuant to the FOIA or other requirements of law.

SECTION 18: MISCELLANEOUS

18.1 The sole and exclusive means for the presentation of any Claim, as defined in the Indemnification Section of this Agreement, against the State arising from this Agreement shall be in accordance with Chapter 53 of the Connecticut General Statutes (Claims Against the State). The CONTRACTOR shall not initiate any legal proceedings in any State or Federal Court in addition to, or in lieu of, said Chapter 53 proceedings.

18.2 The Agreement shall be deemed to have been made in the City of Hartford, State of Connecticut. Both Parties agree that it is fair and reasonable for the validity and construction of the Agreement to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that Chapter 53 of the Connecticut General Statutes does not apply and to the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to

the extent that these courts are courts of competent jurisdiction, for the purpose of venue the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The CONTRACTOR waives any objection which it may now have or will have to the laying of venue of any Claims, as defined in the Indemnification Section of this Agreement, in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

- 18.3 The parties each bind themselves, their partners, successors, assigns, and legal representatives with respect to all covenants of this Agreement.
- 18.4 This Agreement incorporates all the understandings of the parties and supersedes any and all agreements relating to the Services and reached by the parties prior to the effective date of this Agreement, whether oral or written.
- 18.5 If any provision of this Agreement, or application to any party or circumstances, is held invalid by any court of competent jurisdiction, the balance of the provisions of this Agreement, or their application to any party or circumstances, shall not be affected, but only if the balance of the provisions of this Agreement would then continue to conform to the requirements of applicable laws.
- 18.6 The ATTORNEY GENERAL and the CONTRACTOR shall not be excused from their obligation to perform in accordance with the Agreement except in the case of force majeure events and as otherwise provided for in the Agreement. In the case of any such exception, the nonperforming party shall give immediate written notice to the other, explaining the cause and probable duration of any such nonperformance. "Force majeure events" means events that materially affect the time schedule within which to perform and are outside the control of the party asserting that such an event has occurred, including, but not limited to, labor troubles unrelated to the CONTRACTOR, failure of or inadequate permanent power, unavoidable casualties, fire not caused by the CONTRACTOR, extraordinary weather conditions, disasters, riots, acts of God, pandemics and other health emergencies, insurrection, or war.
- 18.7 The CONTRACTOR shall not refer to services provided to the State for advertising or promotional purposes, including, but not limited to, posting any material or data on the Internet, without the ATTORNEY GENERAL'S prior written approval.
- 18.8 The CONTRACTOR shall notify the ATTORNEY GENERAL in writing no later than ten (10) days from the effective date of any change in (i) its certificate of incorporation or other organizational document, or (ii) a controlling interest in the ownership of the CONTRACTOR. No such change shall relieve the

CONTRACTOR of any responsibility for the accuracy and completeness of the performance. The CONTRACTOR shall deliver such documents to the ATTORNEY GENERAL in accordance with the terms of the ATTORNEY GENERAL'S written request. The ATTORNEY GENERAL may also require, and the CONTRACTOR shall deliver, a financial statement showing that solvency of the CONTRACTOR is maintained.

- 18.9 The parties shall provide such information, execute and deliver any instruments and documents and take such other actions as may be necessary or reasonably requested by the other party which are not inconsistent with the provisions of this Agreement and which do not involve the vesting of rights or assumption of obligations other than those provided for in the Agreement, in order to give full effect to the Agreement and to carry out the intent of the Agreement.
- 18.10 The CONTRACTOR shall maintain accurate Records and shall make all of the Records available at all reasonable hours for audit and inspection by the State. This includes, but is not limited to accurate records and accounts of all expenditures under this Agreement as well as satisfactory evidence of payment to assure proper accounting. Such records and accounts shall be kept in the manner specified in the Representations and Warranties Section, and made available for at least six years after the termination of this Agreement and shall be made available and furnished upon request to the ATTORNEY GENERAL or their designee on or before the tenth business day following the date of the written request. The CONTRACTOR shall cooperate fully with any and all audit or review of billing by the ATTORNEY GENERAL or any other agency, person, or entity acting on behalf of the ATTORNEY GENERAL or the State, and shall, upon request, provide billing in a format which will facilitate audit or review.
- 18.11 The CONTRACTOR shall continue to perform its obligations under the Agreement while any dispute concerning the Agreement is being resolved.
- 18.12 The CONTRACTOR shall be responsible for the entire performance under the Agreement. The CONTRACTOR shall be the sole point of contact concerning the management of the Agreement, including performance and payment issues. The CONTRACTOR is solely and completely responsible for adherence by the Contractor Agents to all applicable provisions of the Agreement.
- 18.13 The waiver of a term or condition by the ATTORNEY GENERAL or their designee shall not (i) entitle the CONTRACTOR to any future waivers of the same or different terms or conditions; (ii) impose any duties, obligations or responsibilities on the ATTORNEY GENERAL or any State department or agency not already set forth in the Agreement, as amended, modified or superseded; or (iii) subject the ATTORNEY GENERAL or the State of Connecticut or any department or agency thereof to any Claims.

- 18.14 If a disagreement arises between the parties to this Agreement as to whether or not the CONTRACTOR has or may in the foreseeable future have a conflict of interest or there exists or may exist in the foreseeable future an appearance of impropriety, the ATTORNEY GENERAL'S determination shall be final and dispositive of the issue. Where the ATTORNEY GENERAL determines that the CONTRACTOR'S representation of any client constitutes a conflict of interest, or creates an appearance of impropriety, the CONTRACTOR shall, within five (5) days of the posting of notice by the ATTORNEY GENERAL or their designee to the CONTRACTOR, withdraw from the representation of the client, unless such a withdrawal is barred by law or order of a court of competent jurisdiction or the ATTORNEY GENERAL waives such conflict. Nothing in this subsection shall be construed as restricting or otherwise limiting the CONTRACTOR'S rights under the Termination Section of this Agreement.
- 18.15 Unless the ATTORNEY GENERAL designates otherwise in writing, all Records generated or collected by the CONTRACTOR, the Contractor's Agent or any subcontractor, in the scope of their work under this Agreement are the exclusive property of the State of Connecticut and no one else shall have any right, including but not limited to, intellectual property, copyright and trademark rights, in those Records.
- 18.16 The CONTRACTOR acknowledges that the ATTORNEY GENERAL has relied upon all of the CONTRACTOR'S representations in its proposal, submitted in response to the ATTORNEY GENERAL'S Request for Proposals concerning this matter and all subsequent information supplied to the ATTORNEY GENERAL in writing thereafter, as the basis for entering into this Agreement with the CONTRACTOR. Any material misrepresentation, omission, mistake or error in those submittals shall be deemed to be a breach of this Agreement, which the ATTORNEY GENERAL may, in his sole discretion, waive or afford the CONTRACTOR the opportunity to cure in accordance with the written notice of such breach sent to the CONTRACTOR.
- 18.17 References in the masculine gender shall also be construed to apply to the feminine and neuter genders, as the content requires.
- 18.18 The parties acknowledge and agree that nothing in the ATTORNEY GENERAL'S request for proposals or the Agreement shall be construed as a modification, compromise or waiver by the ATTORNEY GENERAL of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the ATTORNEY GENERAL or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the Agreement. To the extent that this Section conflicts with any other section, this Section shall govern.

- 18.19 CONTRACTOR shall provide to the ATTORNEY GENERAL access to any data, as defined in Conn. Gen Stat. Sec. 4e-1, concerning the Agreement and the ATTORNEY GENERAL that are in the possession or control of CONTRACTOR upon demand and shall provide the data to the ATTORNEY GENERAL in a format prescribed by the ATTORNEY GENERAL and the State Auditors of Public Accounts at no additional cost.
- 18.20 Pursuant to section 4-252 of the Connecticut General Statutes and Acting Governor Susan Bysiewicz Executive Order 21-2, promulgated July 1, 2021, CONTRACTOR, for itself and on behalf of all of its principals or key personnel who submitted a bid or proposal, represents:
- 18.21 That no gifts were made by (A) CONTRACTOR, (B) any principals and key personnel of CONTRACTOR, who participate substantially in preparing bids, proposals or negotiating State contracts, or (C) any agent of the CONTRACTOR or principals and key personnel, who participates substantially in preparing bids, proposals or negotiating State contracts, to (i) any public official or State employee of the State agency or quasi- public agency soliciting bids or proposals for State contracts, who participates substantially in the preparation of bid solicitations or requests for proposals for State contracts or the negotiation or award of State contracts, or (ii) any public official or State employee of any other State agency, who has supervisory or appointing authority over such State agency or quasi-public agency;
- (1) That no such principals and key personnel of CONTRACTOR, or agent of CONTRACTOR or of such principals and key personnel, knows of any action by CONTRACTOR to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of CONTRACTOR to provide a gift to any such public official or State employee; and
 - (2) That CONTRACTOR is submitted bids or proposals without fraud or collusion with any person.
- 18.22 Pursuant to section 4-252 of the Connecticut General Statutes and Acting Governor Susan Bysiewicz Executive Order No. 21-2, promulgated July 1, 2021, the State agency official or employee represents that the selection of the person, firm or corporation was not the result of collusion, the giving of a gift or the promise of a gift, compensation, fraud or inappropriate influence from any person.

18.23 Pursuant to section 4a-81 of the Connecticut General Statutes, the person signing this Contract on behalf of the CONTRACTOR represents, to their best knowledge and belief and subject to the penalty of false statement as provided in section 53a-157b of the Connecticut General Statutes, that the CONTRACTOR has not entered into any consulting agreements in connection with this Contract, except for the agreements listed below or in an attachment to this Contract. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the State, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction, requests for information, or (C) any other similar activity related to such contracts. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of chapter 10 of the Connecticut General Statutes as of the date such contract is executed in accordance with the provisions of section 4a-81 of the Connecticut General Statutes.
