Second Addendum to RFP #2026-01

Request for Proposals for Legal Services

**Representation of the University of Connecticut
Regarding Legal Services for
Intellectual Property**

March 5, 2026

Due to a technical issue, the Office of the Attorney General (“OAG”) had received two questions that were not included in the First Addendum to RFP #2026-01. The questions, along with the responses of the OAG, are as follows:

Question 1: Do the client references have to be current clients, or can they be former clients? More particularly, we have worked for many university and non-profit clients in the past, so is it acceptable to use our references who were at such when we worked for them but have since moved on to different employment? Or, must it be a current university or non-profit client (noting that not everyone has such, as we work mostly with for-profit companies)?

Answer 1: Client references may include both current and former clients. References are not required to be current university or non-profit clients, and it is acceptable to include individuals who have since moved to different organizations, provided they can speak to the firm’s work performed at the time of the engagement.

However, the RFP Committee will place particular emphasis on the recency and relevance of the referenced work. Respondents are encouraged to include references who can speak to recent engagements involving services similar in scope and complexity to those described in this RFP, including, where possible, work performed for higher education or other mission-driven institutions.

Question 2: (a) Do the Ethics Affidavits and Certification Form 1 need to be submitted with the proposal? In Section III Submission of Proposals, question 4 of the RFP, it says the forms are required, and then the following sentence says they do not need to be submitted with the proposal.) Can you please clarify?

(b) If the above forms need to be submitted with the proposal, can you please confirm how many forms are required? When we view the link provided, there is only one: the Campaign Contribution Certification.

Answer 2: (a) No, the Ethics Affidavits and the Certification Form 1 do not need to be submitted with the proposal. The form can up uploaded to the businesses CTSource Account when. If you have any questions on how to add the form to CTSource, please call DAS's help desk for CTSource (860) 713-5095.

(b) There is only one form that is required, it is the Campaign Contribution Certification Form 1. The second page is the Affidavit which requires formal signatures under penalty of false statement.

First Addendum to RFP #2026-01

Request for Proposals for Legal Services

**Representation of the University of Connecticut
Regarding Legal Services for
Intellectual Property**

February 27, 2026

The Office of the Attorney General (“OAG”) has received the following questions concerning RFP #2026-01. The questions, along with the responses of the OAG, are as follows:

Question 1: Is RFP #2026-01 meant to replace contracts awarded under RFP #2025-02?

Answer 1: No. RFP #2025-02 covers intellectual property–related legal services for the Connecticut State Colleges and Universities system. RFP #2026-01 is a separate solicitation for intellectual property–related legal services for the University of Connecticut, which is a distinct legal entity.

Question 2: On page 3, under the scope of services, letter d. states “Legal aspects of the formation, structure, governance, financing and business transactions with/for new and growing technology-based companies.” Can you please provide additional clarification on the meaning of this service? Is this requesting that the successful proposer represent startups or researchers who are in the process of creating a startup, or would this representation be limited to advising the University on startup transactions, equity ownership, etc.?

Answer 2: The selected firm(s) will not represent startups or individual researchers in the formation of new companies, as UConn does not represent those interests. Services are limited to advising the University on matters such as startup-related transactions, equity ownership, governance, financing, and related business arrangements.

Question 3: On page 3, under the scope of services, letter e. states “General IP legal advice to UConn on matters outside TCS. Such matters will be managed by UConn’s Office of General Counsel.” Is this service related to research matters only or does it extend to athletics and NIL matters?

Answer 3: Services are limited to intellectual property–related matters. Firms will not be asked to provide legal services related to athletics or Name, Image, and Likeness (NIL) matters, except to the extent a specific issue directly involves intellectual property matters (e.g., trademarks, copyrights, etc.).

Question 4: For hourly rates, are we able to provide rate ranges by title?

Answer 4: Yes

Question 5: To ensure our staffing model and pricing proposal are properly aligned, could you please confirm the anticipated patent volume the selected firm would be responsible for?

Answer 5: UConn files approximately 60–80 nonprovisional patent applications annually, along with a similar number of provisional applications. Most provisional applications are prepared and filed in-house, with a limited number assigned to outside counsel. In addition to new filings, outside counsel will be expected to manage and prosecute a portfolio of pending applications.

Question 6: Does UConn envision having the selected firm take over responsibility of their current patent portfolio, in addition to handling new patents?

Answer 6: Yes. To the extent that a current firm is not selected, matters handled by that firm may be transferred to a selected firm, which will be expected to assume responsibility for ongoing prosecution. UConn reserves the right to assign or reassign matters among selected firms as it deems appropriate.

Question 7: To ensure our staffing model and pricing proposal are properly aligned, could you please confirm the anticipated trademark volume the selected firm would be responsible for?

Answer 7: Trademark filings are relatively limited. UConn's general annual operational budget for trademark-related services is approximately \$7,000–\$10,000. Additional work may arise on an as-needed basis, including new filings, international applications, specimen collection, office actions, and enforcement matters (e.g., takedown notices). Overall volume is variable and dependent on University needs.

Question 8: Does UConn envision having the selected firm take over responsibility of their current trademark portfolio, in addition to handling new trademarks?

Answer 8: No. UConn does not anticipate transferring responsibility for its existing trademark portfolio in full. Selected firms may be engaged to handle new trademark matters or discrete assignments, and limited transfers may occur on a case-by-case basis as determined by the University. However, UConn is also evaluating whether to transition additional trademark work to outside counsel over time, and selected firms may have opportunities to support an expanded scope of trademark-related services as needs evolve.

Question 9: Regarding the attached form which is part of RFP #2026-01, under the "Campaign Contribution Certification" paragraph, yellow highlighted portion below, will you please define what you mean by "any of its principals." We are interpreting this to mean our firm's CEO and Board of Directors. Is this correct?

*Answer 9: **C.G.S. § 9-612(g)(1)(F) (Formerly Sec. 9-333n)** "Principal of a state contractor or prospective state contractor" means (i) any individual who is a member of the board of directors of, or has an ownership interest of five per cent or more in, a state contractor or prospective state contractor, which is a business entity, except for an individual who is a member of the board of directors of a nonprofit organization, (ii) an individual who is employed by a state contractor or prospective state contractor, which is a business entity, as president, treasurer or executive vice president, (iii) an individual who is the chief executive officer of a state contractor or prospective state contractor, which is not a business entity, or if a state contractor or prospective state contractor has no such officer, then the officer who duly possesses comparable powers and duties, (iv) an officer or an employee of any state contractor or prospective state contractor who has managerial or discretionary responsibilities with respect to a state contract, (v) the spouse or a dependent child who is eighteen years of age or older of an individual described in this subparagraph, or (vi) a political committee established or controlled by an individual described in this subparagraph or the business entity or nonprofit organization that is the state contractor or prospective state contractor.*

- (a) The fees and costs proposed have been arrived at independently, without consultation, communication, or agreement for the purpose of restricting competition as to any matter relating to such process with any other organization or with any competitor.
- (b) Unless otherwise required by law, the costs quoted have not been knowingly disclosed by the firm prior to the deadline for submission of proposals directly or indirectly to any other organization or to any competitor; and

- (c) No attempt has been made, or will be made, by the firm to induce any other person or firm to submit or not to submit a proposal for the purpose of restricting competition.
- (d) Explicitly represent that no elected or appointed official or employee of the State of Connecticut has benefited or will benefit financially or materially from the Contract. The Contract may be terminated by the Attorney General's Office if it is determined that gratuities of any kind were either offered to, or received by, any of state officials or employees from the firm, the law firm's agent(s), representatives(s) or employees(s). Such action on the part of the Attorney General's Office shall not constitute a breach of contract on the part of the Attorney General's Office.

(17) Conformity and Completeness of Proposals. To be considered acceptable, proposals must be complete and conform to all material RFP instructions and conditions. The OAG, in its sole discretion, may reject in whole or in part any proposal if in its judgment the best interests of the State will be served.

IV. Amendment or Cancellation of this RFP

The OAG reserves the right to cancel, amend, modify or otherwise change this RFP at any time if it deems it to be in the best interest of the State to do so.

VI. Presentation of Supporting Evidence

Proposers must be prepared to provide evidence of experience, performance, ability, financial resources or other factors as the OAG deems to be necessary or appropriate concerning the performance capabilities represented in their proposals.

VII. Misrepresentation or Default

The OAG may reject the proposal and void any award resulting from this RFP to a firm which makes any material misrepresentation in its proposal or other submittal in connection with this RFP.

VIII. Errors

The OAG reserves the right to correct clerical or administrative errors that may be made during the evaluation of proposals or during the negotiation of the contract and to change the contract award accordingly. In addition, the OAG reserves the right to re-evaluate proposals and the award of the contract in light of information either not previously known or otherwise not properly having been taken into account prior to contract award. In any case, this may include, in extreme circumstances, revoking the awarding of the contract already made to a firm and subsequently awarding the contract to another firm.

Such action on the part of the OAG shall not constitute a breach of contract on the part of the OAG since the contract with the initial firm would be deemed void and of no effect as if no contract ever existed between the OAG and such firm.

The OAG may waive minor irregularities found in proposals or allow the proposer to correct them, depending on which is in the best interest of the state. "Minor irregularities" means typographical errors, informalities that are matters of form rather than substance and evident from the proposal itself, and insignificant mistakes that can be waived or corrected without prejudice to other proposers, as determined in the discretion of the OAG.

IX. Ownership of Proposals

All proposals shall become the sole property of the State and will not be returned.

X. Execution of Contract

- (a) This RFP is not a contract and, alone, shall not be interpreted as such. Rather, this RFP only serves as the instrument through which proposals will be solicited. Once the evaluation of the proposals is complete and a firm or firms are selected, the selected proposal and this RFP may then serve as the basis for the Contract(s) that will be negotiated and executed between the OAG and the selected firm(s). If the OAG and the initial selected firm(s) fail to reach agreement on all issues relative to the Contract within a time determined solely by the OAG, then the OAG may commence and conclude contract negotiations with other proposers. The OAG may decide at any time to postpone or restart this RFP process.
- (b) Section 4-252 of the Connecticut General Statutes requires that this RFP include a notice of the certification requirements for large state contracts described in this statute. Accordingly, pursuant to this statute, firms are notified as follows:
 - (1) The terms "gift," "quasi-public agency," "state agency," "large state contract," "principals and key personnel" and "participated substantially" as used in this Section X(b) shall have the meanings set forth in this statute.
 - (2) No state agency or quasi-public agency shall execute a large state contract unless the state agency or quasi-public agency obtains the written certifications described in this Section X(b). Each such certification shall be sworn as true to the best knowledge and belief of the person signing the certification, subject to the penalties of false statement.
 - (3) The official of the person, firm or corporation awarded the contract, who is authorized to execute the contract, shall certify on such forms as the State shall provide:
 - (A) That no gifts were made between the date that the state agency or quasi-public agency began planning the project, services, procurement, lease or licensing arrangement covered by the contract and the date of execution of the contract, by (i) such person, firm, corporation, (ii) any principals and key personnel of the person, firm or corporation, who participated substantially in preparing the bid or proposal or the negotiation of the contract,

or (iii) any agent of such person, firm, corporation or principals and key personnel, who participated substantially in preparing the bid or proposal or the negotiation of the contract, to (I) any public official or state employee of the state agency or quasi-public agency soliciting bids or proposals for the contract, who participated substantially in the preparation of the bid solicitation or request for proposals for the contract or the negotiation or award of the contract, or (II) any public official or state employee of any other state agency, who has supervisory or appointing authority over such state agency or quasi-public agency;

- (B) That no such principals and key personnel of the person, firm or corporation, or agent of such person, firm or corporation or principals and key personnel, knows of any action by the person, firm or corporation to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the person, firm or corporation to provide a gift to any such public official or state employee; and
- (C) That the person, firm or corporation made the bid or proposal without fraud or collusion with any person.

(4) This Section IX(b) is set forth here only for purposes of providing notice of the requirements of Conn. Gen. Stat. § 4-252. Accordingly, it is neither intended nor should it be interpreted or relied upon to be a complete and full reiteration of the statute's contents. Any interpretation or understanding of the statute's requirements or content by any party must come only from reading the full text of the statute itself.

(c) Section 4a-81 of the Connecticut General Statutes requires that this RFP include a notice of the consulting representation requirements described in the statute. Accordingly, pursuant to the statute, vendors are notified as follows:

- (1) No state agency shall execute a contract for the purchase of goods or services, which contract has a total value to the state of fifty thousand dollars or more in any calendar or fiscal year, unless the state agency obtains the written affidavit described in subsection (2) of this section.
- (2) Each contract described in Section (1) above shall include a representation whether any consulting agreement has been entered into in connection with such contract. Such representation shall be required if any duties of the consultant included communications concerning business of such state agency, whether or not direct contact with a state agency, state or public official or state employee was expected or made. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (i) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (ii) contacting, whether in writing or orally, any executive, judicial, or administrative office of the state, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction or requests for information or (iii) any other similar

activity related to such contract. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of Chapter 10 of the Connecticut General Statutes concerning the State's Codes of Ethics, as of the date such contract is executed.

- (3) Such representation shall be made to the best knowledge and belief of the person signing the contract and shall be subject to the penalties of false statement as provided in Section 53a-157b of the Connecticut General Statutes.
 - (4) If such representation indicates that a consulting agreement has been entered into in connection with any such contract, such representation shall include or attach the following information for each consulting agreement listed: the name of the consultant, the consultant's firm, the basic terms of the consulting agreement, a brief description of the services provided, and an indication as to whether the consultant is a former state employee or public official. If the consultant is a former state employee or public official, such affidavit shall indicate his or her former agency and the date such employment terminated.
 - (5) This Section IX(c) is set forth here only for purposes of providing notice of the requirements of the Conn. Gen. Stat. § 4a-81. Accordingly, it is neither intended nor should it be interpreted or relied upon to be a complete and full reiteration of the statute's contents. Any interpretation or understanding of the statute's requirements or content by any party must come only from reading the full text of the statute itself.
- (d) Pursuant to Conn. Gen. Stat. §§ 4a-60(c)(1) and 4a-60a(c)(1), as amended, every contract with a contractor who has one or more contracts with an awarding agency or is a party to a municipal public works contract or a contract for a quasi-public agency project shall include a nondiscrimination affirmation provision certifying that the contractor understands the obligations of Conn. Gen. Stat. §§ 4a-60 and 4a-60a and will maintain a policy for the duration of the contract to assure that the contract will be performed in compliance with the nondiscrimination requirements of those sections. The authorized signatory of the contract shall demonstrate his or her understanding of this obligation by (A) initialing the nondiscrimination affirmation provision in the body of the contract, (B) providing an affirmative response in the required online bid or response to a proposal question which asks if the contractor understands its obligations, or (C) signing the contract.

XI. Oral Agreement or Arrangements

Any alleged oral agreements or arrangements made by firms with any State agency or employee will be disregarded in any State proposal evaluation or associated award.

XII. Independent Price Determinations

In the proposals, firms must warrant, represent, and certify that the following requirements have been met in connection with this RFP:

- (a) The fees and costs proposed have been arrived at independently, without consultation, communication, or agreement for the purpose of restricting competition as to any matter relating to such process with any other organization or with any competitor.
- (b) Unless otherwise required by law, the fees and costs quoted have not been knowingly disclosed by the firm prior to the deadline for submission of proposals directly or indirectly to any other organization or to any competitor; and
- (c) No attempt has been made, or will be made, by the firm to induce any other person or firm to submit or not to submit a proposal for the purpose of restricting competition.

XIII. Offer of Gratuities

In the proposals, firms must represent that no elected or appointed official or employee of the State of Connecticut has, or will, benefit financially or materially from the Contract. The Contract may be terminated by the OAG if it is determined that gratuities of any kind were either offered to, or received by, any of state officials or employees from the firm, the law firm's agent(s), representatives(s) or employees(s). Such action by the OAG shall not constitute a breach of contract on the part of the OAG.

XIV. Subletting or Assigning of Contract

The Contract or any portion thereof, or the work provided for therein, or the right, title, or interest of the firm therein or thereto may not be sublet, sold, transferred, assigned or otherwise disposed of to any person or entity without the prior written consent of the OAG. No person or entity, other than the firm to which the contract was awarded, is permitted to perform work pursuant to the Contract without the prior written approval of the OAG.

XV. Freedom of Information

The OAG is a public agency and its records, including responses to this RFP, are public records. See Conn. Gen. Stat. §§ 1-200, et seq., and especially § 1-210(b)(4) and § 1-210(b)(5)(B). Due regard will be given for the protection of proprietary or confidential information contained in all proposals received. However, all materials associated with this RFP are subject to the terms of the Connecticut Freedom of Information Act ("FOIA") and all applicable rules, regulations and administrative decisions. If a firm is interested in preserving the confidentiality of any part of its proposal, it will not be sufficient merely to state generally in the proposal that the proposal is proprietary or confidential in nature and not, therefore, subject to release to third parties. Instead, those particular sentences, paragraphs, pages or sections that a firm believes to be exempt from disclosure under the FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with § 1-210(b) of the FOIA must accompany the proposal. The rationale and explanation must be stated in terms of the reasons the materials are legally exempt from release pursuant to the FOIA. Firms should not request that their entire proposal, nor the majority of the proposal, be confidential. Any submitted proposal, once

execution of a contract is complete, and any completed contract will be considered public information. The OAG has no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The firm has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall the OAG have any liability for the disclosure of any documents or information in its possession which the OAG believes are required to be disclosed pursuant to the FOIA or other requirements of law.

XVI. Conformance with Federal, State and Other Requirements

In the Contract, the firm will represent and warrant that, at all pertinent and relevant times to the contract, it has been, is and will continue to be in full compliance with all Federal, State, municipal or other governmental department, commission, board, bureau, agency or instrumentality codes, statutes, acts, ordinances, judgments, decrees, injunctions and regulations.

XVII. Executive Orders and Other Enactments

- (a) All references in the Contract to any Federal, State, or local law, statute, public or special act, executive order, ordinance, regulation or code (collectively, "Enactments") shall mean Enactments that apply to the Contract at any time during its term, or that may be made applicable to the Contract during its term. The Contract shall always be read and interpreted in accordance with the latest applicable wording and requirements of the Enactments. Unless otherwise provided by Enactments, the Contractor will not be relieved of its obligation to perform under the Contract if it chooses to contest the applicability of the Enactments or the OAG's authority to require compliance with the Enactments.
- (b) The Contract is subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which will be incorporated into and made a part of the Contract as if they had been fully set forth in it.
- (c) The Contract may be subject to (1) Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services; and (2) Executive Order No. 61 of Governor Dannel P. Malloy promulgated December 13, 2017 concerning the Policy for the Management of State Information Technology Projects, as issued by the Office of Policy and Management, Policy ID IT-SDLC-17-04. If any of the Executive Orders referenced in this subsection is applicable, it will be deemed to be incorporated into and made a part of the Contract as if fully set forth in it.

XVIII. Americans with Disabilities Act

The firm(s) to which contracts are awarded shall comply with the Americans with Disabilities Act and any other applicable federal laws and regulations.

XIX. Affirmative Action and Contract Compliance Reporting

Firms are advised that in addition to evaluating their qualifications, experience, capabilities, competitiveness of cost and conformance to this RFP specification, weight may also be given to firms which demonstrate a commitment to affirmative action by full compliance with the CHRO regulations.

XX. Campaign Contribution and Solicitation Ban

For all State contracts, defined in section 9-612 of the Connecticut General Statutes as having a value of \$50,000 or more, or a combination or series of such agreements or contracts having a value of \$100,000 or more in a calendar year, the authorized signatory to the contract shall represent that they have received the State Elections Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice.

Both Parties agree that it is fair and reasonable for the validity and construction of the Agreement to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that Chapter 53 of the Connecticut General Statutes does not apply and to the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The CONTRACTOR waives any objection which it may now have or will have to the laying of venue of any Claims, as defined in the Indemnification Section of this Agreement, in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.
- 18.3 The parties each bind themselves, their partners, successors, assigns, and legal representatives with respect to all covenants of this Agreement.

- 18.4 This Agreement incorporates all the understandings of the parties and supersedes any and all agreements relating to the Services and reached by the parties prior to the effective date of this Agreement, whether oral or written.
- 18.5 If any provision of this Agreement, or application to any party or circumstances, is held invalid by any court of competent jurisdiction, the balance of the provisions of this Agreement, or their application to any party or circumstances, shall not be affected, but only if the balance of the provisions of this Agreement would then continue to conform to the requirements of applicable laws.
- 18.6 The ATTORNEY GENERAL and the CONTRACTOR shall not be excused from their obligation to perform in accordance with the Agreement except in the case of force majeure events and as otherwise provided for in the Agreement. In the case of any such exception, the nonperforming party shall give immediate written notice to the other, explaining the cause and probable duration of any such nonperformance. "Force majeure events" means events that materially affect the time schedule within which to perform and are outside the control of the party asserting that such an event has occurred, including, but not limited to, labor troubles unrelated to the CONTRACTOR, failure of or inadequate permanent power, unavoidable casualties, fire not caused by the CONTRACTOR, extraordinary weather conditions, disasters, riots, acts of God, insurrection or war.
- 18.7 The CONTRACTOR shall not refer to services provided to the State for advertising or promotional purposes, including, but not limited to, posting any material or data on the Internet, without the ATTORNEY GENERAL'S prior written approval.
- 18.8 The CONTRACTOR shall notify the ATTORNEY GENERAL in writing no later than ten (10) days from the effective date of any change in (i) its certificate of incorporation or other organizational document, or (ii) a controlling interest in the ownership of the CONTRACTOR. No such change shall relieve the CONTRACTOR of any responsibility for the accuracy and completeness of the performance. The CONTRACTOR shall deliver such documents to the ATTORNEY GENERAL in accordance with the terms of the ATTORNEY GENERAL'S written request. The ATTORNEY GENERAL may also require, and the CONTRACTOR shall deliver, a financial statement showing that solvency of the CONTRACTOR is maintained.
- 18.9 The parties shall provide such information, execute and deliver any instruments and documents and take such other actions as may be necessary or reasonably requested by the other party which are not inconsistent with the provisions of this Agreement and which do not involve the vesting of rights or assumption of obligations other than those provided for in the Agreement, in order to give full effect to the Agreement and to carry out the intent of the Agreement.
- 18.10 The CONTRACTOR shall maintain accurate Records and shall make all of the Records available at all reasonable hours for audit and inspection by the State. This includes, but is not limited to accurate records and accounts of all expenditures under this Agreement as well as satisfactory evidence of payment to assure proper accounting. Such records and accounts shall be kept in the manner specified in the Representations and Warranties Section, and made available for at least six years after the termination of this Agreement and shall be made available and furnished upon request to the ATTORNEY GENERAL or his designee on or before the tenth business day following the date of the written request. The CONTRACTOR will cooperate fully with any and all audit or review

of billing by the ATTORNEY GENERAL or any other agency, person, or entity acting on behalf of the ATTORNEY GENERAL or the STATE, and shall, upon request, provide billing in a format which will facilitate audit or review.

- 18.11 The CONTRACTOR shall continue to perform its obligations under the Agreement while any dispute concerning the Agreement is being resolved.
- 18.12 The CONTRACTOR shall be responsible for the entire performance under the Agreement. The CONTRACTOR shall be the sole point of contact concerning the management of the Agreement, including performance and payment issues. The CONTRACTOR is solely and completely responsible for adherence by the Contractor Agents to all applicable provisions of the Agreement.
- 18.13 The waiver of a term or condition by the ATTORNEY GENERAL or his designee shall not (i) entitle the CONTRACTOR to any future waivers of the same or different terms or conditions; (ii) impose any duties, obligations or responsibilities on the ATTORNEY GENERAL or any State department or agency not already in the Agreement, as amended, modified or superseded; or (iii) subject the ATTORNEY GENERAL or the State of Connecticut or any department or agency thereof to any Claims.
- 18.14 If a disagreement arises between the parties to this Agreement as to whether or not the CONTRACTOR has or may in the foreseeable future have a conflict of interest or there exists or may exist in the foreseeable future an appearance of impropriety, the ATTORNEY GENERAL'S determination shall be final and dispositive of the issue. Where the ATTORNEY GENERAL determines that the CONTRACTOR'S representation of any client constitutes a conflict of interest, or creates an appearance of impropriety, the CONTRACTOR shall, within five (5) days of the posting of notice by the ATTORNEY GENERAL or his designee to the CONTRACTOR, withdraw from the representation of the client, unless such a withdrawal is barred by law or order of a court of competent jurisdiction or the ATTORNEY GENERAL waives such conflict. Nothing in this subsection shall be construed as restricting or otherwise limiting the CONTRACTOR'S rights under the Termination Section of this Agreement.
- 18.15 Unless the ATTORNEY GENERAL designates otherwise in writing, all Records generated or collected by the CONTRACTOR, the Contractor's Agent or any subcontractor, in the scope of their work under this Agreement are the exclusive property of the State of Connecticut and no one else shall have any right, including but not limited to, intellectual property, copyright and trademark rights, in those Records.
- 18.16 The CONTRACTOR acknowledges that the ATTORNEY GENERAL has relied upon all of the CONTRACTOR'S representations in its proposal, submitted in response to the ATTORNEY GENERAL'S Request for Proposals concerning this matter and all subsequent information supplied to the ATTORNEY GENERAL in writing thereafter, as the basis for entering into this Agreement with the CONTRACTOR. Any material misrepresentation, omission, mistake or error in those submittals shall be deemed to be a breach of this Agreement, which the ATTORNEY GENERAL may, in his sole discretion, waive or afford the CONTRACTOR the opportunity to cure in accordance with the written notice of such breach sent to the CONTRACTOR.
- 18.17 References in the masculine gender shall also be construed to apply to the feminine and neuter genders, as the content requires.

- 18.18 The parties acknowledge and agree that nothing in the ATTORNEY GENERAL'S request for proposals or the Agreement shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the Agreement. To the extent that this Section conflicts with any other section, this Section shall govern.
- 18.19 CONTRACTOR shall provide to the ATTORNEY GENERAL access to any data, as defined in Conn. Gen Stat. Sec. 4e-1, concerning the Agreement and the ATTORNEY GENERAL that are in the possession or control of CONTRACTOR upon demand and shall provide the data to the ATTORNEY GENERAL in a format prescribed by the ATTORNEY GENERAL and the State Auditors of Public Accounts at no additional cost.
- 18.20 Pursuant to section 4-252 of the Connecticut General Statutes and Acting Governor Susan Bysiewicz Executive Order 21-2, promulgated July 1, 2021, CONTRACTOR, for itself and on behalf of all of its principals or key personnel who submitted a bid or proposal, represents:
- (1) That no gifts were made by (A) CONTRACTOR, (B) any principals and key personnel of CONTRACTOR, who participate substantially in preparing bids, proposals or negotiating State contracts, or (C) any agent of the CONTRACTOR or principals and key personnel, who participates substantially in preparing bids, proposals or negotiating State contracts, to (i) any public official or State employee of the State agency or quasi- public agency soliciting bids or proposals for State contracts, who participates substantially in the preparation of bid solicitations or requests for proposals for State contracts or the negotiation or award of State contracts, or (ii) any public official or State employee of any other State agency, who has supervisory or appointing authority over such State agency or quasi-public agency;
 - (2) That no such principals and key personnel of CONTRACTOR, or agent of CONTRACTOR or of such principals and key personnel, knows of any action by CONTRACTOR to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of CONTRACTOR to provide a gift to any such public official or State employee; and
 - (3) That CONTRACTOR is submitted bids or proposals without fraud or collusion with any person.
- 18.21 Pursuant to section 4-252 of the Connecticut General Statutes and Acting Governor Susan Bysiewicz Executive Order No. 21-2, promulgated July 1, 2021, the State agency official or employee represents that the selection of the person, firm or corporation was not the result of collusion, the giving of a gift or the promise of a gift, compensation, fraud or inappropriate influence from any person.
- 18.22 Pursuant to section 4a-81 of the Connecticut General Statutes, the person signing this Contract on behalf of the CONTRACTOR represents, to their best knowledge and belief and subject to the penalty of false statement as provided in section 53a- 157b of the Connecticut General Statutes, that the CONTRACTOR has not entered into any consulting agreements in connection with this Contract, except for the agreements listed below or in

IN WITNESS WHEREOF, the parties have executed two (2) counterparts of this Agreement.
