Summaries: 76.1% of all summary process cases were filed in the housing courts.
88.4% of all housing court cases were summary process cases.

¹Criminal cases do not include cases filed in a G.A. court and transferred to a housing court. The number of such cases is believed to be small.

²Housing small claims cases are docketed through the Centralized Small Claims Office in Hartford and are no longer heard in the housing courts.

³Meriden technically is part of the New Haven-Waterbury Housing Court district but does not have full housing court services.

⁴The Middletown small claims total includes Meriden cases, New London includes Norwich, and Derby includes Ansonia-Milford. Rockville cases are heard in Manchester.
