

GOODWATER, ALABAMA.

C. D. Moon

1935. 10 Asiatic chestnut trees, distributed by the Tennessee Valley Authority

C. crenata 13 W-1951 ✓
GRAND BAY, Ala. *Mobil Co* Julius Schnadelbach,
RF 101, Box 15.
Nov. 15, 1924. Letter to C.A. Reed stating request for some hybrid chestnut came too late. Can send you some graft wood in January and next year send you some of the nuts and leaves when ripe.
9/2/39 - Grandson, Bernard Schnadelbach, lives on place. Trees bearing, no market. Good crop each yr, every other year a larger crop. Nuts large size ripening from Aug. 15 to Sept. 15. No signs of disease. 7 nuts, 12 p.p. palleli thick, mild flavor. FP. 936
9/30/39 - Bissett advised 25# seed received 9/29/39. These to be labeled FP. 936.
10/7/40 - 20# nuts ordered for JDD. FP. 1026. Sampled.
