How to Reach the Orchard Take C.P. & St. L.  
R.R. from Alton, Illinois.

This orchard is composed of pecan,  
walnut and chestnut.

There are about 1000 trees (Chestnut)  
present. The owners are expecting to

Riehl Orchard.

Make an actual count of trees in  
near future.

The stock is chiefly native chestnut.  
Practically every tree excepting the  
young trees in the nursery are top  
grafted. However, a few trees are  
seedlings. The trees are of all ages  
from one year seedlings to seedlings  
about 20 years old or more. Top  
grafting is practiced every year  
and so the trees have a considerable  
range in height growth and general
