7

Ed Riehl

Commercial orchard according to Audubon 1926
Several miles from Amelia Riehl.

Godfrey, Ill. Riehl varieties etc. ^{Madison}

Ed. Riehl, on U. S. 67 on left (west side)
4 miles from center of Alton, about 3 miles
from Amelia Riehl's.

Ed. Riehl has a couple thousand 5 yr. seedlings
and grafts in very vigorous condition, planted
closely and reaching 15 to 18 ft. Also has a
number of very old chestnut trees. One tree
nearly girdled by C B at base. a small trunk
canker on another tree. Riehl marked these trees
to come out.

J. W. Hinrichs, another chestnut grower, lives
next door. See Card. 7/23/35 RBC

Godfrey, Ill. Riehl varieties etc. ^{Madison}

J. W. Hinrichs, next door to Ed. Riehl's on U. S.
67, west side, 4 miles out from Alton. Has
young and old trees. C B killing large limbs
on one of the old trees. C B at base of another tree. He
burns cankers with blow torch. Has about 200
trees of all ages. 7/23/35 RBC.
