

CASTANEA MOLLISSIMA

Southbridge, Massachusetts.
Isaac Walton League.

50 seedlings requested from USDA thru Mr. Reed, according to Newton H. Russell, 36 Dwight St., Holyoke, Mass., in letter of 8/22/32. Only 25 seedlings actually received, were very small and rather dried. Trees were divided among several members who had land and planted in orchard formation, but not cultivated or fertilized. Several trees have died and survivals are about 3 ft. high. Russell has advised them to cultivate and fertilize the trees.

SOUTHBIDGE, MASS.

Howard F. Morse, Oakes Ave. 100 #78744 C. moll-11/3/30
Contact Morse for further information on these parties & plantings.
