

Seed memo. sent '44 1931 Shipment

Cottage Grove, Tenn

J. H. Moser

Weevil Memo Sent 1948-1951

Castanea mollissima

Quan. No.

25 FPI 78744

Remarks:

8/5/31 - all alive. See file for planting chart.

March, 1936. 19 trees now

living, most of which have made a fair growth. Some have put on tassels for 2 yrs. but no burrs ~~xxx~~ seemed to be a kind of blight which killed the b.

"11/16/39 - Detailed report + map attached.

BSC says trees OK. 3/20/40

9/17/40 See BSC map + report. (over)
