Attached please find the Environmental Assessment Checklist for the above referenced project. Scoping for the project began on August 21, 2012 and ended on September 20, 2012.

The Department of Public Health (DPH) received comments from Department of Energy & Environmental Protection (DEEP) on September 20, 2012. The DPH will coordinate with the Putnam Water Pollution Control Authority to ensure that the DEEP's recommendations will be considered and implemented. Based on the comments received, it is recommended that an Environmental Impact Assessment (EIE) is not warranted for this project. Should you have any questions, please contact me at (860) 509-7333.
