Attached please find the Environmental Assessment Summary for the above referenced project. Scoping for the project began on August 7, 2012 and ended on September 6, 2012.

The Department of Public Health (DPH) received comments from the Department of Energy and Environmental Protection on September 5, 2012. The DPH will coordinate with the Norwich Public Utilities General Manager to ensure that the Department of Energy and Environmental Protection recommendations will be considered and implemented. Based on the comments received, it is recommended that an Environmental Impact Assessment (EIE) is not warranted for this project. Should you have any questions, please contact me at (860) 509-7333.
