Attached please find the Environmental Assessment Summary for the above referenced project. Scoping for the project began on June 4, 2015 and ended on July 6, 2015.

The Department of Public Health (DPH) received comments from Department of Energy & Environmental Protection (DEEP) on July 6, 2015 and July 10, 2015. The DPH will coordinate with the Town of Plainfield to ensure that the DEEP's recommendations will be considered and implemented. Based on the DPH's review of the comments received, it is recommended that an Environmental Impact Evaluation (EIE) is not warranted for this project.
