

MEMORANDUM

To: Council on Environmental Quality, Environmental Monitor

From: Eric McPhee
Supervising Environmental Analyst
Department of Public Health-Drinking Water Section

CC: Linda Brunza, Department of Energy & Environmental Protection
Matthew Knickerbocker, First Selectman, Bethel

Date: July 11, 2017

Subject: **Bethel Briar Cliff Booster Station and Long Meadow Water Main Extension - CEPA Findings**

Attached please find the Environmental Assessment Summary for the above referenced project. Scoping for the project began on May 16, 2017 and ended on June 17, 2017.

The Department of Public Health (DPH) received comments from Department of Energy & Environmental Protection (DEEP) on June 9, 2017. The DPH will coordinate with the Bethel Water Department to ensure that the DEEP's recommendations will be implemented. Based on the DPH's review of the comments received, it is recommended that an Environmental Impact Evaluation (EIE) is not warranted for this project. Should you have any questions, please contact me at (860) 509-7333.
