---

Attached please find the Environmental Assessment Summary for the above referenced project. Scoping for the project began on December 18, 2018 and ended on January 18, 2019. The Department of Public Health (DPH) received comments from the Department of Energy and Environmental Protection (DEEP) on January 15, 2019. The DPH will coordinate with the Regional Water Authority to ensure that the recommendations are implemented.

Based upon the DPH's review of the comments received it is recommended that an Environmental Impact Evaluation is not warranted for this project. Should you have any questions, please contact me at (860)509-7333.
