Scoping Notice

"Scoping" is for projects in the earliest stages of planning. At the scoping stage, detailed information on a project's design, alternatives, and environmental impacts does not yet exist. Sponsoring agencies are asking for comments from other agencies and from the public as to the scope of alternatives and environmental impacts that should be considered for further study. Send your comments to the contact person listed for the project by the date indicated. [Read More](#)

The following Scoping Notice has been submitted for publication in this edition.

1. Notice of Scoping for Track Improvement and Mobility Enhancement (Time - 1): Metro North Railroad

Municipalities where proposed project might be located: Bridgeport and Stratford

Address of Possible Project Location: Mile Post (M.P.) 56.77 (east of Seaview Avenue, Bridgeport) running easterly to M.P. 60.30 (approximately 400 feet east of East Main Street/State Route 113, Stratford).

Project Description: The purpose of TIME-1 is to increase the Maximum Authorized Speed (MAS) of a three-mile section of Metro North Railroad (MNRR) in Bridgeport and Stratford from 70 mph to 90 mph. The project will consist of the reconstruction of track to improve track geometry from M.P. 56.77 (east of Seaview Avenue, Bridgeport) running easterly to M.P. 60.30 (approximately 400 feet east of East Main Street/ State Route 113, Stratford), including corresponding overhead catenary adjustments and the reconstruction of eight bridges using accelerated construction techniques. Bridges at Bishop Avenue (Bridgeport), Bruce Avenue (Stratford), W. Broad Street (Stratford), King Street (Stratford), Main Street (Stratford), Longbrook Avenue (Stratford) and East Main Street (Stratford) that intersect with MNRR will be replaced as part of this project.

What Happens Next: The sponsoring agency will make a determination whether to proceed with preparation of an Environmental Impact Evaluation (EIE) or that the project does not require the preparation of an EIE under the Connecticut Environmental Policy Act (CEPA). A Post-Scoping Notice of its decision will appear in a future edition of the *Environmental Monitor*.

Scoping Notice - Post-Scoping Notice (Need More Time)

If an agency is unable to publish a Post-Scoping Notice within six months after the comment period for scoping, the agency will publish an update with an action status and an estimate as to when a Post-Scoping Notice will be published. Such an update will be published by the agency at six-month intervals until the Post-Scoping Notice is published. [Read More](#)

No notice for additional time has been submitted for publication in this edition.

Post-Scoping Notice

A Post-Scoping Notice is the determination by a sponsoring agency, after publication of a Scoping Notice and consideration of comments received, whether an [Environmental Impact Evaluation \(EIE\)](#) needs to be prepared for a proposed State action. [Read More](#)

No Post-Scoping Notice has been submitted for publication in this edition.

EIE Notice

After Scoping, an agency that wishes to undertake an action that could significantly affect the environment must produce, for public review and comment, a detailed written evaluation of the expected environmental impacts. This is called an [Environmental Impact Evaluation \(EIE\)](#). [Read More](#)

No EIE Notice has been submitted for publication in this edition.

Agency Record of Decision

After an [Environmental Impact Evaluation \(EIE\)](#) is developed, an agency will prepare a concise public record of decision, which takes into consideration the agency's findings in the EIE, and any comments received on that evaluation. [Read More](#)

No Record of Decision Notice has been submitted for publication in this edition.

OPM's Determination of Adequacy

After an [Environmental Impact Evaluation \(EIE\)](#) and record of decision are developed, the Office of Policy and Management (OPM) will determine if the EIE and the associated process are adequate. If not, OPM will specify the areas of inadequacy with reference to CEPA or the CEPA regulations and specify the corrective action required. [Read More](#)

No Determination of Adequacy Notice has been submitted for publication in this edition.

State Land Transfer Notice

Connecticut General Statutes [Section 4b-47](#) requires public notice of most proposed sales and transfers of state-owned lands. The public has an opportunity to comment on any such proposed transfer. Each notice includes an address where comments should be sent. [Read more about the process.](#)
