Re: Notice of Scoping for the Hamlet on East Street South

Dear Ms. Muniz:

The Drinking Water Section of the Department of Public Health has reviewed the above-mentioned project for potential impacts to any sources of public drinking water supply. This project does not appear to be in a public water supply source water area; therefore, the Drinking Water Section has no comments at this time.

Sincerely,

A handwritten signature in black ink that reads "Patricia Bisacky".

Patricia Bisacky  
Environmental Analyst 3  
Drinking Water Section
