**1. NHCFFEP – Meeting Cancelled**

The regular monthly meeting of the New Haven County Fire Emergency Plan scheduled for Tuesday 3/21 has been CANCELLED.

The next regular meeting will be the regular date Tuesday April 18th.

-----

**2. Rescue Technician – Core**

Rescue Technician – Core to be held in Meriden on 03/27, 3/28, 3/29, 4/03, 4/04, and 04/05 – a few seats are still available.

This course is designed to meet the job performance requirements in Chapter 5 of NFPA 1006 Rescue Technician. Students will learn the basics of site operations, size-up, resource management, hazard/risk assessment, ground support for helicopter operations and incident management as it relates to the rescue environment. Students will learn skills to use rope-rescue equipment to manage victims, anchor-rope systems, build and operate lowering and hauling systems in a low angle environment. Students will also be able to inspect and maintain related equipment. This program is a prerequisite for all technical rescue certification courses.

#### **4. 2017 CFA Seminar Series in March – Leading With Attitude – [Sign Up Now](#)**

**Speaker: Eddie Buchanan, Hanover Fire & EMS**

**Course #s: March 24th (17343) or March 25th (17351)**

**Course Fee: \$65.00**

#### **Course Description:**

This program will explore how we, as individuals, can help ensure our departments are on track and ways we can truly make a difference in our organization, regardless of rank.

It's easy to complain about the job, but what can you really do about it! What can you do about others who don't love it like you do? This program offers a rankless "gut check" into how we each contribute to the success of the fire service. Concepts such as loyalty alignment, followership, and attitude are explored in detail and tangible techniques to facilitate change are offered.

#### **Instructor Biography:**

Eddie Buchanan began his fire service career in 1982 and is an assistant chief with Hanover Fire & EMS in Richmond, VA. He is a past president of the International Society of Fire Service Instructors and is the 2015 recipient of the George D. Post, Instructor of the Year Award from the ISFSI. He serves on the NFPA Technical Committee on Fire Service Training and the newly formed NFPA 1700 Committee. He is a past board member of the Volunteer/Combination Officer's Section of the International Association of Fire Chiefs and serves on a variety of advisory boards and committees for the fire service industry. Chief Buchanan is known for the creation of the SLICE-RS concept that is part of the ISFSI Principles of Modern Fire Attack Program.
