3. CSFA Legislative Update March 7, 2017

Most importantly this week, there is a Public Hearing at the LOB in front of legislators of the Finance, Review and Bonding Committee on Thursday March 9th, 2017 at 10:30am in Rm 2E for matters related to Governor's Bills, specifically, S.B. 788 is on the agenda (i.e., AN ACT AUTHORIZING AND ADJUSTING BONDS OF THE STATE FOR CAPITAL IMPROVEMENTS, TRANSPORTATION AND OTHER PURPOSES.) The bill itself does not specifically refer to Fire Schools or related issues, however, this is an opportunity to submit testimony to urge and convince every legislator possible to continue the bonding of our Regional Fire Schools. Please email written testimony in Word or PDF format to FINtestimony@cga.ct.gov. The Committee requests that testimony be limited to matters related to the items on the Agenda. The first hour of the hearing is reserved for Legislators, Constitutional Officers, State Agency Heads and Chief Elected Municipal Officials. Speakers will be limited to three minutes of testimony. The Committee encourages witnesses to submit a written statement and to condense oral testimony to a summary of that statement. If you would like to submit oral testimony, at the Public Hearing, please contact me, Leon Collins and I will add your name to the list of people who wish to testify.

Some other bills are moving forward through their respective committees. You can see the list of bills CSFA is actively supporting this session below:

H.B. 5207 To impose a surcharge on the net direct premiums of homeowners and renters insurance policies written on property or risks located or resident in this state, to fund the operating budgets of regional fire schools.

S.B. 27 To expand workers' compensation coverage in certain situations that result in mental or emotional impairment. ("The PTSD Bill")

H.B. 7047 To require each municipal and volunteer fire department to maintain the pump and aerial components of such department's fire apparatus in compliance with the inspection, maintenance and testing requirements of standard 1911 of the National Fire Protection Association. ("The Apparatus Bill")
