**1. East Hampton Ambulance selling 2009 Life Line E-Series Ambulance**

Body: 2009 Lifeline Superline - Ford E-Series Ambulance. Diesel Engine, automatic, 2 Wheel Drive.

Included: onspot chains, 2 tires recently replaced. Whelen LED lighting.

Box length is 168 inches. Cab access is small walk through type.

Mileage is 77,900. Turbo replaced in December 2016, all maintenance records are available.

Recent engine evaluation at Ford dealership showed no problems, no oil leaks etc, engine was found to be in good condition.

Changed stretcher mount over to power loaded in 2012. Power loader, stretcher and radios removed at time of sale.

The ambulance was custom built to our specifications, it's use was alternated with another lifeline ambulance. Housed in climate controlled garage for its lifetime. Mileage may change as ambulance is in service until new ambulance delivery late August.

For additional information, contact Donald Scranton, East Hampton Ambulance Chief at [chief@ehems.org](mailto:chief@ehems.org) or 860-918-4544

# **UNIVERSITY OF NEW HAVEN**

## **Special offer for Connecticut career firefighters**

### **MS Emergency Management (both in classroom and online) 50% tuition discount**

The University of New Haven is excited to announce a new 50% discount for the on-line Master's degree in Emergency Management for all career firefighters and police officers in Connecticut. This program is designed to build on the professional's undergraduate degree to provide finishing skills in the area of Planning, Mitigation, Response, Recovery and Strategic Planning. Added to these, are a host of electives such as Disaster Mapping, Business Continuity Management and Political and policies of Emergency Management.

Courses are offered in a reduced semester format of 7 ½ weeks. Each course incorporates the same format for each module. Current national needs indicate that trained Emergency Management specialists are in high demand. Job opportunities in the insurance field, private sector, and government service may involve applications of Emergency Plan development, Exercise development, Emergency Operations Center management, Recovery planning and Response coordination.

The Emergency Management program covers a wide range of topics including: Principles of Emergency Planning; Hazardous Mitigation, Emergency Response, Disaster Recovery; Social Dimensions of Disasters; Emergency Operations; Strategic Planning and a research course; along with four electives of your choice.
