2017 Saint Francis Hospital and Medical Center EMS Champion Award

The Saint Francis EMS Champion Award honors individuals, both EMTs and Paramedics, who epitomize the spirit embodied in the word "champion." This award seeks to go beyond, but does not exclude, the typical recognition for patient care and instead examines extraordinary efforts related to EMS- the profession, providers, committee and administrative work, and the community. We look for individuals who go above and beyond; a hero, but not in the typical media sense—A Champion, someone special.. a contributor... a supporter.. a giver.

The goal of this program is to recognize and honor excellence, and exemplify what it means to be an emergency medical professional. Winners will be recognized on May 24 at the EMS Champion Awards Ceremony.

EMS Champion Award recipients are nominated by their peers and must be individuals currently working or volunteering as an EMS provider in the Saint Francis service area . Two winners will be selected and they will each receive a \$300 VISA® gift card.

The winners' names will also be included on the EMS Champion Award wall plaque, which is prominently displayed in the Emergency Department of the John T. O'Connell Tower.
