7. CT Fire Academy Winter Recruit Orientation 2017

Additional Orientations in Fairfield

The Connecticut Fire Academy Recruit Firefighter program is a 14 week resident course that focuses on developing the knowledge, skills and abilities needed for the newly hired career firefighter or for the volunteer firefighter to perform entry-level tasks under direct supervision. The Academy is offering

orientation sessions to anyone interested in learning about the Recruit Program and its comprehensive classroom instruction and training in firefighting techniques and equipment use. The orientation offers insights into what to expect, and how to prepare for this intensive training opportunity.

Fundamentals of Firefighting Certificate Program

Firefighter I & II, including EMT-B

This is a college level certificate program consisting of 24 fully accredited (NEASC) approved coursework. The program is designed to train students to the firefighter I & II levels, along with Emergency Medical Technician (EMT) curriculum. Upon completion of both lecture and practical training, students will be eligible to sit for State of Connecticut certification exams for FF I & FFII. In addition, successful completion of the Emergency Medical Technician program will prepare the student for certification through the National Registry. The program is also designed to prepare students for the complex process of navigating both written and oral board testing procedures used by most municipal fire departments. Finally, this two (2) semester program will condition the student physically by including a health and fitness class designed to increase the student's knowledge of health and fitness while training in preparation for the State of Connecticut CPAT certification.

Who is eligible?

Students must be at least 18 years old and hold a High School Degree or GED. Potential students must take an entrance exam through Gateway Community College. Remediation classes are available for those students who do not meet the minimum passing grade for matriculation into this program.

Do I have to be a member of a Fire Department?

NO. This program is designed for both affiliated fire department members and non-affiliated students. Gateway Community College offers resources for the rental of all the necessary gear and equipment needed to participate in this program. Current members may use their department issued gear with written permission from their department's Fire Chief.

Am I covered if I get injured?

Yes. Gateway Community College holds the insurance policy for injury claims for all of its students. However, students must have a physical examination by their own medical provider prior to admittance.

How long does this program run?

The entire program spans two (2) semesters beginning in the fall of each academic calendar year and ends with the concurrent academic spring calendar.

Do I have to take all of the classes?

No. The certificate program is designed to be taken in its entirety. This is the only means of achieving the 24 college credits with the associated academic certificate. Student enrollment process will give priority to those students who are fully matriculating into the program. However, student can register for individual courses if space is available and all prerequisites are met.

How much does the program cost?

Each class is priced based on its credit hours plus any school fees. Gear, equipment and books must be provided for, or purchased by the student. There are several rental companies that will supply NFPA approved Personal Protective Equipment (PPE) that can be used throughout the program. It is the student's responsibility to obtain properly fitted and fully compliant PPE prior to the start of class. Shipping and returned equipment to the rental agency is also the responsibility of the student.

Where is the class being held?

Class lectures are held at Gateway Community College downtown campus. Saturday practical training evolutions will be held at the New Haven Regional Fire Training Academy. Transportation to and from all locations are the responsibility of the student. Times, dates and room locations will be placed on the schools scheduling website.

Who teaches these courses?

All courses are taught by experienced and certified career firefighters chosen from throughout New Haven County. Instructors are selected through a rigorous vetting process and must possess all the necessary qualifications and practical real life experience. Each instructor brings a wealth of knowledge and strong firefighting/EMS background skills. All instructors have had several years of teaching the required curriculum and are well verse in developing the skills necessary for student success.

Program Requirements*

Freshman Year- Fall Semester

Course #	Title
FTA 101	Fundamentals of Firefighting I
FTA 100	Fitness and Health for Firefighters

Freshman Year-Spring Semester

Course #	Title
EMT 100	Emergency Medical Technician

*Program structure currently under review and is subject to change.

Gateway Community Fire Technology Courses

GWCC is now accepting applications for the Fall 2017 semester

Gateway Community College is offering the following courses in the *Fire Technology Program*. These classes are part of a revised program designed to meet the requirements of the National Fire Academy, *Fire and Emergency Service Higher Education (FESHE)* model.

These classes offer a great opportunity for firefighters, who are considering advancing their knowledge and careers, without taking a fulltime academic workload. These classes are fundamental to most fire science curriculum and can easily be applied toward an undergraduate degree in *Fire Technology*.

FTA 112 Introduction to Fire Technology: TR 05:25pm-06:45pm

FTA 216 Municipal Fire Administration: MW 05:25pm-06:45pm

FTA 227 Fire Protection Systems: TR 05:25pm-06:45pm (Eligible for Fire Marshal Credits)

FTA 219 Fire Investigations: M 07:00pm-09:50pm (Eligible for Fire Marshal Credits)

Fall semester calendar: August 29, 2017-December 18, 2017

All classes held at Gateway Community College downtown campus.

GWCC offers the opportunity to participate in course work along with fellow firefighters and future fire technology professionals, throughout Connecticut. Come experience the learning environment and camaraderie that Gateway has to offer.

Registration can be completed online. Please visit Gateway Community College Website at www.gatewayct.edu or contact Dmarcarelli@gwcc.comnet.edu for further information.
