

Letter of Apology

Name: _____

Date: _____

"Personal Responsibility is the idea that human beings choose, instigate, or otherwise cause their own actions. A corollary idea is that because we cause our actions, we can be held morally accountable or legally liable."

Write a letter of apology to someone that might have been affected by the incident(s) that brought you into this program. Discuss it with your parent/guardian when considering who it should be written to. You may or may not choose to send it, but you must write it (approximately 300 words). Perhaps there is an obvious victim, perhaps not. Consider people inconvenienced, frightened, or worried. Maybe the town or fire department. We suggest calling them to find out how much it costs to respond to a fire call.

I have read this assignment, discussed it with my child/student and have reviewed the completed assignment.
