

Statewide Coronavirus Hotline for First Responder Testing

*Effective immediately, first responders within our communities who feel they may have been exposed to a COVID + patient **or** are symptomatic for COVID can call our Hartford HealthCare Clinical Command Center (CCC) Hotline.*

Follow these 3 Simple Steps

- 1.** Call the CCC at **860.972.8100** between **7:00am – 7:00pm** daily.
- 2.** Press option “**2**”. *You will be connected with an RN to initiate your care.*
- 3.** Announce that you are a first responder. The receiving RN will collect the proper information and transfer you to a physician for consultation.

If testing is indicated, the provider will enter an electronic prescription order and steps necessary for testing at one of our HHC testing facilities statewide.
