

STOP USING OLD FOAM CONCENTRATE!

You can help protect yourself, the environment, and your community's health.

Stop using AFFF foam concentrate for training or for any non-Class B fires

State law prohibits use for training and testing.

Stop using AFFF foam concentrate for Class B fires

State law prohibits use as of October 1, 2021. (October 1, 2023 for aviation)

Purchase and use a fluorine-free alternative instead

See CT DAS Contract #21PSX0028AA to purchase.

Contact DEEP and the CFPC at FoamSurvey@ct.gov for info and to schedule pick up of old PFAS AFFF from your fire house before August 31, 2021. Questions? Contact the State Fire Administrator at (860) 566-0690.
