Margaret's internal notes:
- Prepped name tags for attendees before; had extras for write-ins
- Sign up sheets
- 35 stapled handouts with 10 in reserve. 36 distributed
- Have extra pens/pencils
- Set up additional chairs on the entrance/ exit side of the room (we had 20+ around the table and at least 25 others, and wasn't quite enough on our side of the room)
- Feedback on directions to venue: excellent
- Feedback from security: excellent

Meeting began at 10.

The topic was agency data replication. Rick went through powerpoint. Early on in the meeting —mainly around the CISS architecture slide — there were a lot of general questions. I have just captured the questions, answers, issues, take-aways, and some of the post- meeting one-off discussions for these minutes.
