RE: **DOCKET NO. 500** - Arx Wireless Infrastructure, LLC Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 1061-1063 Boston Post Road, Milford, Connecticut.
Certificate Holder's Petition for Reconsideration.

Dear Attorneys Ball and Pires:

During a public meeting of the Connecticut Siting Council (Council) held on October 21, 2021, the Council denied Arx Wireless Infrastructure, LLC's (Arx) September 30, 2021 Petition for Reconsideration, pursuant to Connecticut General Statutes §4-181a(a), of the Council's September 24, 2021 final decision to issue a Certificate of Environmental Compatibility and Public Need (Certificate) to Arx for the above-referenced telecommunications facility in the proposed location on the basis that the Council's September 24, 2021 final decision demonstrates a clear majority vote.

Sincerely,

A handwritten signature in black ink, appearing to read "Melanie Bachman".
