RE: **DOCKET NO. 500** - Arx Wireless Infrastructure, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 1061-1063 Boston Post Road, Milford, Connecticut.

The Connecticut Siting Council (Council) is in receipt of correspondence from the Milford Legislative Delegation concerning the above-referenced application.

Pursuant to Connecticut General Statutes §16-50(b), a copy of the application is to be submitted to the Milford Legislative Delegation for review. In the event that the Milford Legislative Delegation does not avail itself of the opportunity to attain party status under Connecticut General Statutes §16-50n, this correspondence shall become part of the record in this proceeding in the form of a limited appearance.

Therefore, copies of the Milford Legislative Delegation correspondence is being distributed to all participants in this proceeding and will also be administratively noticed in the record.

RE: **DOCKET NO. 500** - Arx Wireless Infrastructure, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 1061-1063 Boston Post Road, Milford, Connecticut.

Dear Milford Legislative Delegation:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated May 4, 2021 concerning the above-referenced application. Thank you for taking the time to provide the Council with your comments.

Pursuant to Connecticut General Statutes §16-50(b), a copy of each application is to be submitted to each member of the legislature in whose assembly or senate district the facility is to be located for review. Before reaching a final decision on an application, the Council carefully considers all of the facts contained in the evidentiary record that is developed by the Council, the applicant, parties and intervenors in the proceeding, and all of the concerns received from members of the public who speak at the public hearing or submit written statements to the Council.

In the event that you do not seek formal party or intervenor status under Connecticut General Statutes §16-50n, which provides full participation at the public hearing, including, but not limited to, cross examination of witnesses, parties and intervenors, your comments shall nevertheless become part of the official record in this proceeding in the form of a limited appearance defined under subsection (f) of Connecticut General Statutes §16-50n.

Therefore, copies of your correspondence will be distributed to all participants in the proceeding and will be administratively noticed in the record. Please note that you can view all of the documents related to this proceeding on our website at portal.ct.gov/csc under the “Pending Matters” link. You may also keep apprised of Council events on the website calendar and agenda.

Thank you for your interest and concern in this matter.

Sincerely,

s/Melanie A. Bachman

RE: DOCKET NO. 500 - Arx Wireless Infrastructure, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 1061-1063 Boston Post Road, Milford, Connecticut.

To: Members of the Connecticut Siting Council:

We hope this letter finds you in good health and spirits. We are writing this letter to request that you vote to reject ARX Wireless Infrastructure's (ARX) application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 1061-1063 Boston Post Road, Milford, CT.

Milford does not object to the installation of the ARX's cell tower simply because it is a cell tower. The City's objection is rooted in ARX's proposed location for its tower and ARX's failure to investigate and consider multiple alternative locations suggested by the City that would be more suitable. Instead, ARX elected to ignore the City's suggestions and proceed with the application process in defiance of valid concerns and problems with its application. More specifically, the installation of ARX's proposed cell tower in the proposed location would impact over 100 homeowners who reside in close proximity of the project. The residents feel that the cell tower would be a blight on their neighborhood and could serve to adversely affect area property values.

We believe that it would be in ARX, the City of Milford and the impacted residents' best interests if ARX and the City could agree upon a more suitable location based upon the City's concerns previously communicated to ARX why the proposed location is objectionable.

Based on the above provided information, the Milford Legislative Delegation respectfully request that the Siting Council refer ARX to sit down with the City of Milford and agree on a more appropriate location.

Sincerely,

Charles Ferraro - State Representative CT-117

Kathy Kennedy - State Representative CT-119

James Maroney - State Senator CT-14

Frank Smith - State Representative CT-118
