He called me. And I spoke to him
We were very clear
Thank you

Joe

Beth Alom Cemetery Association Inc. has interest in placing a tower. We own two vacant lots across the street on 65 & 73 Allen street that can be part of our discussion. We have also been contacted by a second company who has interest. The Board is a volunteer group and will call a meeting once we have more information provide by both companies. Please let us know what will be the City of New Britains role in this process.

Thank you

Ira
