DOCKET NO. 504

June 18, 2021

REQUEST BY NEW CINGULAR WIRELESS PCS, LLC ("AT&T")
TO INTERVENE IN THIS PROCEEDING

Pursuant to Section 16-50n of the Connecticut General Statutes and Section 16-50j-15a of the Regulations of Connecticut State Agencies, New Cingular Wireless PCS, LLC ("AT&T") respectfully requests permission of the Connecticut Siting Council ("Council") to participate, as an intervenor, in the application and hearing process for Docket No. 504.

AT&T is licensed by the Federal Communications Commission ("FCC") to construct and operate a wireless communications system in various areas of the United States of America including the State of Connecticut in order to provide cellular and personal communication services to the public. AT&T has an interest in the application process to aid the Council in evaluating the public interest considerations set forth in Section 16-50g and 16-50aa of the Connecticut General Statutes. As detailed in the application materials submitted by Arx Wireless Infrastructure, LLC (the "Applicant"), AT&T has an interest in and need for a new facility in the area to provide its services to the retail areas and neighboring residences in the northwestern portion of the Town of Glastonbury.

The Council has admitted AT&T as an intervenor in previous dockets and AT&T proposes to participate in applications in support of the need to continue operating other facilities in this area

of the State. For all the foregoing reasons, AT&T respectfully requests that it be named an intervenor in this proceeding.
