Re: Communication Tower Sites in Glastonbury

Dear Attorney Bachman:

This letter supplements my correspondence of May 26, 2021 concerning the proposal for a communication tower on Town-owned land off Oakwood Drive in Glastonbury. On behalf of the Town, I recently executed a formal lease agreement with Wireless EDGE for a communication tower and related facilities at 311 Oakwood Drive. As I understand, ARX Wireless is proposing a facility for property off Sequin Drive.

As noted in my letter of May 26th, the Oakwood Drive site is preferred by the Town. At this point, the two proposals will not proceed in parallel, but Wireless EDGE on behalf of the Town, will soon begin the formal process with your office and the Siting Council.

Accordingly, I wanted to update you on the status of the Oakwood Drive site and confirm the Town's position on the two proposals, namely, the Oakwood Drive site is preferred. Many thanks. Should you have any questions or require additional information, please let me know.

Sincerely,

Richard J. Johnson
Town Manager
