RE: **DOCKET NO. 506** - New Cingular Wireless PCS, LLC (AT&T) application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a wireless telecommunications facility located at 499 Mile Lane, Middletown, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your correspondence of March 22, 2022, requesting Intervenor status for Cellco Partnership d/b/a Verizon Wireless (Verizon) in Docket No. 506.

Please be advised that the evidentiary record for Docket No. 506 closed on February 3, 2022.

However, AT&T submitted a Motion to Reopen the Evidentiary Record (Motion to Reopen) on March 16, 2022. The Motion to Reopen will be placed on the Council's April 7, 2022 regular meeting agenda. A copy of the meeting agenda will be sent to you.

If AT&T's Motion to Reopen is granted, the Council will consider Verizon's Request for Intervenor Status immediately thereafter. If AT&T's Motion to Reopen is denied, Verizon's Request for Intervenor Status would be rendered moot.

Copies of the application and hearing transcripts are available at the Middletown City Clerk's Office. All documents filed to date are available on our website at https://portal.ct.gov/CSC/1_Applications-and-Other-Pending-Matters/Applications/4_DocketNos500s/Docket-No-506.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Melanie Bachman'.

Melanie Bachman
