RE: **DOCKET NO. 506** - New Cingular Wireless PCS, LLC (AT&T) application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 499 Mile Lane, Middletown, Connecticut. **Request for Intervenor Status.**

Dear Attorney Baldwin:

During a public meeting held on April 7, 2022, the Connecticut Siting Council (Council) denied AT&T's March 16, 2022 Motion to Reopen the Evidentiary Record (Motion to Reopen) in Docket No. 506.

As stated in the Council's March 29, 2022 correspondence acknowledging Cellco Partnership d/b/a Verizon Wireless' (Verizon) March 22, 2022 Request for Intervenor Status in Docket No. 506, if AT&T's Motion to Reopen is denied by the Council during its April 7, 2022 regular meeting, Verizon's Request for Intervenor Status would be rendered moot.

The Council denied AT&T's Motion to Reopen. Therefore, Verizon's Request for Intervenor Status is moot.

Should you have any questions or concerns, please do not hesitate to contact me at 860-827-2951. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Melanie A. Bachman'.

Melanie A. Bachman
