PETITION TO INTERVENE

Pursuant to Connecticut General Statutes (“C.G.S.”) Section 16-50n and Regulations of Connecticut State Agencies (“R.C.S.A.”) Section 16-50j-15, Cellco Partnership d/b/a Verizon Wireless (“Cellco”) hereby requests permission of the Siting Council (“Council”) to participate, as an intervenor in the Docket No. 506 proceeding, if the Council approves AT&T’s March 16, 2022 Motion to Reopen the Evidentiary Record.

As the Council is aware, Cellco is a licensed provider of wireless services throughout Connecticut. The proposed telecommunications facility described in the Docket No. 506 application would fit neatly into Cellco’s network design for central Connecticut and provide Cellco with much needed wireless service in the Middletown area.

Cellco’s involvement in the reopened Docket No. 506 proceeding would aid the Council in evaluating additional need considerations as set forth in C.G.S. § 16-50g. Cellco’s expertise and experience in designing, constructing, operating and maintaining a wireless telecommunications system in the State of Connecticut in accordance with the rules and regulations of the Council and the Federal Communications Commission, may be of benefit to

the Council in resolving issues presented in Docket No. 506, including the evaluation and consideration of alternative tower locations. Cellco has been admitted as an intervenor in prior Siting Council dockets. Cellco proposes to participate in the reopened proceeding and hearing, if one is held, by cross-examining the Applicant's witnesses, offering oral and written testimony of its own witnesses, evidence and the filing of pre-hearing interrogatories.

For the above-stated reasons, Cellco seeks permission to participate in this docket as an intervenor.

Respectfully submitted,
