Re: Docket No. 508 - The United Illuminating Company Application for a Certificate of Environmental Compatibility and Public Need for the Milvon to West River Railroad Transmission Line 115-kV Rebuild Project - Request for Modification to Structure Locations Near West River Substation

Dear Ms. Bachman:

Pursuant to the Connecticut Siting Council's ("Council") June 8, 2023 letter regarding the Milvon to West River Railroad Transmission Line 115-kV Rebuild Project ("Project") Development and Management Plan ("D&M Plan"), Segment 1, The United Illuminating Company ("UI" or the "Company") wishes to inform the Council that it will commence construction of Segment 1 of the Project on or about September 18, 2023. Additionally, pursuant to the Council's August 18, 2023 letter regarding the Company's D&M Plan for Segment 2, the Company wishes to inform the Council that it will commence construction of Segment 2 of the Project also on or about September 18, 2023. Specifically, the Segment 2 construction will begin with foundation work for structures P1028S and P1029SS. The initial work on Segment 2 will be limited to the foundation work for structures P1028S and P1029SS. The Company will inform the Council when the rest of the Segment 2 work is scheduled to begin.

Should the Council have any questions regarding this filing, please do not hesitate to contact me.

Very truly yours,
