Partial Development and Management (D&M) Plan I - Segment 1. **Development and Management Plan Revision.**

Dear Attorney McDermott:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated November 20, 2023, regarding a revision to Partial Development and Management (D&M) Plan I for the above-referenced facility that was approved by the Council on June 8, 2023.

Pursuant to Regulations of Connecticut State Agencies (RCSA) §16-50j-62(b), your request to convert an existing, approximately 22-foot-wide gravel work pad into a permanent gravel access drive between the end of Grant Street and the eastern maintenance gate for West River Substation to facilitate project work and future maintenance, is hereby approved.

This approval applies only to the Partial D&M Plan I revision in the correspondence dated November 20, 2023.

Please be advised that deviations from the Council's Decision and Order and D&M Plan approvals are enforceable under the provisions of Connecticut General Statutes § 16-50u. Furthermore, the Certificate Holder is responsible for reporting requirements pursuant to RCSA §16-50j-62.

Thank you for your attention and cooperation.
