Siting Council of the State of Connecticut
Ten Franklin Square
New Britain CT 06051
Attn: Melanie Bachman, Executive Director

Re: DOCKET NO. 510- New Cingular Wireless PCS,
L.L.C. d/b/a AT&T and Tarpon Towers II, L.L.C.
application for Certificate of Environmental
Compatibility and Public Need for the
construction, maintenance and operation of
a telecommunications facility located at 92
Greens Farms Road, Westport, Connecticut

By Postal Mail and E Mail to Siting.Council@CT.Gov

Dear Siting Council,

This constitutes my submission to request "intervenor" status in the above matter. As per the Council's instructions on the internet, (no printed form was available), the following is set forth:

Name (etc)

Donald L Bergmann 32 Sherwood Drive, Westport CT 06880, Telephone 203 226 8712, no fax number, e mail: donlbergmann@sbcglobal.net

Manner in Which Affected

I and my wife reside in Westport CT within the area that the proposed cell tower seeks to provide service. I believe I may be able to see the tower, when built, from our home.

Way in Which I Propose to Participate

I anticipate

- (i) submitting a statement or statements to the Siting Council,
 - (ii) submitting requests for information to the Siting Council, as possible examples only, information as to past decisions of the Siting Council, information as to the actions of Siting Council staff in reviewing and supporting or objecting to information submitted by the Applicant, information as to the review process of the Siting Council as to an alternative site proposed by the Town of Westport,
 - (iii) visiting the offices of the Siting Council to review available materials, including in connection with any requests for materials, and
 - (iv) interacting as appropriate with Siting Council staff or, if possible, Siting Council members.
- I expect to conduct my activities by myself, though a friend may also join me.

Kindly confirm as soon as possible the approval of my status as an Intervenor. Also, please provide any standard information relating to the above application or other aspects of Siting Council procedures that you believe may assist me.

Very truly yours,
Donald L. Bergmann
