RE: **DOCKET NO. 510** – New Cingular Wireless PCS, LLC d/b/a AT&T and Tarpon Towers II, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 92 Greens Farms Road, Westport, Connecticut.

Dear Attorneys Ball, Pires, Chiocchio and Motel:

The current decision deadline for the above-mentioned application is October 23, 2022. Due to the scheduling of an additional evidentiary hearing on this matter on September 22, 2022, the Connecticut Siting Council (Council) will need additional time to render a final decision.

Connecticut General Statutes §16-50p(a) states, in part, “The Council’s decision shall be rendered... Not later than one hundred eighty days after the filing of an application... provided the Council may extend such period by not more than one hundred eighty days with the consent of the applicant.”

Pursuant to Connecticut General Statutes §16-50p(a), the Council hereby requests consent from the applicant for an extension of the decision deadline in Docket 510 until January 21, 2023.

Please respond in writing by August 17, 2022.

The applicant’s consent to the requested extension of time shall have the effect of tolling the Federal Communications Commission (FCC) 150-day tower siting timeframe in accordance with Paragraph 49 of the FCC Declaratory Ruling issued on November 18, 2009 (FCC WT Docket No. 08-165).

We thank you in advance for your timely response to this matter.

Sincerely,

Melanie A. Bachman
Executive Director
