Re: Docket No. 510 - New Cingular Wireless PCS, LLC d/b/a AT&T and Tarpon Towers II, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 92 Greens Farms Road, Westport, Connecticut

Dear Attorney Bachman:

The Town of Westport is requesting additional time to file its Pre-filed testimony. Specifically, the Town of Westport is requesting an extension of the August 2, 2022, deadline to August 31, 2022, to file the Pre-filed testimony of its consultant, David Maxson, Isotrope Wireless. This request is made for the following reasons:

1. The hearing on this matter will commence on August 9, 2022, but an additional hearing date of September 22, 2022, has already been set. At the Pre-hearing conference on July 13, 2022, the undersigned raised the issue of requiring additional time. Pre-filing of Mr. Maxson's testimony by August 31, 2022, will still allow the parties ample time to prepare for any cross examination on September 22, 2022.
2. Mr. Maxson has been serving as the Town of Westport's consultant since the Fall, 2021. He has just returned from vacation. He wishes to obtain the results of the Town of Westport's interrogatories, filed July 26, 2022, and hear the initial cross examination on August 9, 2022, before preparing his Pre-filed testimony.

3. No party will be prejudiced by this request for additional time. Indeed, the review by the Siting Council will be enhanced by a more complete analysis and submission by Mr. Maxson.

Thank you for your attention to this matter.

Sincerely,

Ira W. Bloom
