RE: **DOCKET NO. 511** – Barrett Outdoor Communications application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 200 East Main Street Rear, Stratford, Connecticut.

---

I. Introduction

The application is from Barrett Outdoor Communications for the construction, maintenance, and operation of a telecommunications facility and associated equipment at 200 East Main Street Rear, Stratford, Connecticut. The telecommunications facility was proposed in Petition No. 1467. The Council did not issue a declaratory ruling.

The municipality of Milford is within 2,500 feet of the proposed facility.

II. Technical

The application conforms to the Council's *Application Guide for Community Antenna Television and Telecommunication Facilities* dated July 2012, includes relevant maps, descriptions of the site, costs, a description of the environmental effects of the proposed construction, and health and safety information. The application meets statutory technical requirements for processing the application. This project would not require an outside consultant.

III. Administrative Review

All service and filing requirements pursuant to Connecticut General Statutes (CGS) § 16-50/ (b) have been fulfilled. Notice to the general public was published in the Connecticut Post.

IV. Procedural

Pursuant to CGS §16-50m, the Council must schedule a public hearing not less than 30 days and no more than 150 days after receipt of an application. At least one public hearing session shall be held after 6:30 PM for the convenience of the general public. The Council must also designate a place for the deposition of the transcript. In accordance with CGS § 16-50m and Public Act No. 22-3, staff recommends holding a remote public hearing via Zoom conferencing on October 6, 2022 and depositing the transcript in the Stratford Town Hall and Milford City Hall.
