Dear Distinguished Members of the Connecticut Siting Council and Executive Director Bachman,

Thank you for the opportunity to provide comments regarding Docket No. 513.

Based on the submitted materials, it is unclear to the CAA if this project involves the use of 5G C-band technology. To the extent that 5G C-band technology is used, the CAA respectfully requests that the applicants coordinate closely with the Federal Aviation Administration (FAA) to ensure that any development does not jeopardize the safe operation of aircraft in the vicinity.

Please feel free to contact me directly at 860-292-2054 if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink that reads 'Kevin A. Dillon'.

Kevin A. Dillon, A.A.E.
Executive Director
